Mr. Grayson R. Cecil
Special Counsel for Natural Resources
National Oceanic and Atmospheric Administration
U.S. Department of Commerce
Washington, D.C. 20230

Dear Mr. Cecil:

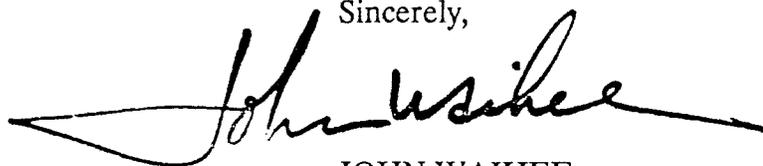

This responds to your recent letter requesting my designation of those State officials who will act on behalf of the public as trustee of natural resources under the Oil Pollution Act of 1990.

I have reviewed the trustee responsibilities and have designated John C. Lewin, M.D., State Director of Health, and William W. Paty, Chairperson of the State Board of Land and Natural Resources, as co-trustees for the State of Hawaii. As you also requested, I am informing your offices in Rockville, Maryland, of my designations by copy of the formal designation letter recently submitted to the President.

The State of Hawaii is prepared to fully cooperate with the federal government in addressing natural resource concerns under the Oil Pollution Act of 1990, and we appreciate your efforts in this regard.

With kindest regards,

Sincerely,

A handwritten signature in black ink, appearing to read "John Waihee", with a long horizontal flourish extending to the left.
