Office of Restoration and Damage Assessment

- Restoration Program Overview
- Restoration Accomplishments

DOI Natural Resource Damage Assessment and Restoration

- The mission of the Natural Resource Damage Assessment and Restoration Program is to **restore natural resources injured as a result of oil spills or hazardous substance releases** into the environment. In partnership with other affected State, Tribal, and Federal trustee agencies, damage assessments provide the basis for determining the restoration needs that address the public's loss and use of these resources.

Restoration Program Overview

■ Authority

- ❑ CERCLA - Superfund
- ❑ Oil Pollution Act
- ❑ Clean Water Act
