National Park System Closure Determination and Notice

Pursuant to 36 C.F.R. § 1.5, effective at 12:01 a.m. on October 1, 2013, all units of the National Park System nationwide are closed to public visitation and use, subject to the conditions and exceptions described below. This national closure determination and notice is necessitated by a lapse in funds appropriated by the United States Congress for the operation of the National Park System and will remain in effect until funding is restored. The period of time during which appropriated funds are not available may be referred to in this determination and notice as the “shutdown period.”

Under 36 C.F.R. § 1.5(a) this national closure determination and notice is necessary to maintain public health and safety in units of the National Park System and to protect park resources and values during the shutdown period. Consistent with the Department of the Interior Contingency Plan, available at www.doi.gov/shutdown, only a relatively small number of “excepted personnel” will be on duty during the shutdown period. Those personnel are not sufficient to provide a full range of visitor services. Therefore, in light of the shutdown and Contingency Plan, measures less restrictive than a national closure will not suffice to maintain public health and safety and to protect park resources and values. The lapse in appropriated funds qualifies as an “emergency” under 36 C.F.R. § 1.5(b); therefore, this determination and notice does not require special rulemaking.

Condition and Exceptions:

1. National Park Service personnel who have been identified as excepted will continue to report for duty in accordance with the National Park Service Contingency Plan and as directed by their supervisors.
2. Members of the public who are currently visiting a unit of the National Park System and not staying overnight in the park must vacate the park immediately. All day-use concession-operated visitor services and facilities are to be closed immediately. Exceptions may be granted by superintendents only if a facility is deemed essential for health or safety purposes.
3. Subject to paragraph 6 below, members of the public who are currently visiting a unit of the national park system and staying overnight either in a National Park Service-operated campground or a concessioner-operated facility in the park must vacate the park by 6:00 p.m. EDT on October 3, 2013.
4. Subject to paragraph 6 below, National Park Service concessioners must suspend their operations in overnight accommodations by 6:00 p.m. EDT on October 3, 2013.
5. Subject to paragraph 6 below, holders of National Park Service commercial use authorizations must immediately cease their in-park operations.

6. The deadlines announced above do not apply to members of the public, concessioners, and holders of commercial use authorizations who are on multi-day backcountry trips that cannot be safely terminated before the end of the trip. Those individuals may continue and complete their multi-day backcountry trips in accordance with their approved permit or plan. Those individuals then must vacate the park within 12 hours after the completion of their trip.

7. This closure determination and notice does not apply to private owners of interests in real property located within the exterior boundaries of units of the National Park System. Park superintendents will continue to allow such owners reasonable access to their private property.

8. This closure determination and notice does not apply to roads that pass through units of the National Park System and provide primary access between points located outside of the parks. Members of the public may continue to use those roads during the shutdown period. However, superintendents may not expend any appropriated funds to maintain or repair those roads. Moreover, superintendents may close those roads, or portions of those roads, in accordance with 36 C.F.R. § 1.5, if such closure is warranted by weather, poor road conditions, or other circumstances.

9. All previously issued permits for special events scheduled to occur in units of the National Park System during the shutdown period are hereby cancelled. At the end of the shutdown period holders of cancelled permits may apply for a new permit. Except as provided in paragraph 10 below, all closed areas of the National Park System are also closed to First Amendment activities during the shutdown period, and any previously issued permits for First Amendment activities are hereby cancelled.

10. This closure determination and notice does not apply to First Amendment activities in the National Mall and Memorial Parks and areas administered by the NPS Liaison to the White House in Washington, D.C., and Independence National Historical Park in Philadelphia, Pennsylvania. Persons may continue to conduct First Amendment activities in these units in accordance with existing regulations.

11. Each park superintendent must take reasonable measures to comply with 36 C.F.R. § 1.7 and to provide adequate public notice of this national closure determination and notice.

12. This national closure determination and notice will expire automatically at the end of the shutdown period.

13. Violation of this national closure determination and notice is prohibited.
