Notice of Funding Availability for the 2016 Fisheries Resource Monitoring Program March 11, 2015 is the Deadline to Submit Project Proposals

The Office of Subsistence Management's Fisheries Resource Monitoring Program is seeking technically sound proposals that gather information to manage and conserve subsistence fishery resources on Federal public lands and waters in Alaska.

Proposals that provide information needed for subsistence fisheries management on Federal public lands and waters in Alaska (National Wildlife Refuges, National Forests, National Parks and Preserves, National Conservation Areas, National Wild and Scenic River Systems, National Petroleum Reserves, and National Recreation Areas) will be considered.

The Request for Proposal # F15AS00052 has been posted to www.grants.gov/web/grants/search-grants.html. The full application package, including a complete list of priority information needs and issues, is available on the Federal Subsistence Management Program Website at www.doi.gov/subsistence/monitor/fisheries/applying-for-funding.cfm

Proposals must be submitted to the Office of Subsistence Management no later than **March 11, 2015, 5:00 PM Alaska standard time.**

For additional information, please contact Durand Tyler at the Office of Subsistence Management at (800) 478-1456 or (907) 786-3886.
