### **Applicants Sought for Subsistence Regional Advisory Council Membership**

**Deadline: January 23, 2015**

The Federal Subsistence Board is accepting applications through January 23, 2015 to fill seats on the 10 Subsistence Regional Advisory Councils. Council membership appointments are typically 3-year terms. There are approximately 35 seats open for appointment among all Councils.

The Councils meet at least twice a year and provide critical advice to the Federal Subsistence Board on subsistence management issues. Council meetings serve as a forum for regional public involvement in Federal subsistence management. Council members must be knowledgeable about the uses of fish and wildlife resources in their region.

Individuals may apply for membership themselves, or an individual or organization may nominate someone for Council membership. The application form and information about the application process and the Subsistence Regional Advisory Councils is available on the Federal Subsistence Management Program's website: [www.doi.gov/subsistence/index.cfm](http://www.doi.gov/subsistence/index.cfm). The application form and additional information is also available by contacting Carl Johnson at the Office of Subsistence Management at (800) 478-1456 or (907) 786-3676.
