Summary: This organization is exclusively for charitable and educational purposes. It is our mission to provide Native Hawaiians with hand-on training in the construction industry. We will accomplish this mission by fostering the sense of "doing" and innovative thinking that is an intrinsic part of our culture. We envision a Native Hawaiian workforce that is both leading-edge and culturally cognizant at the same time. We will encourage our students to cultivate the value of Malama by passing on their knowledge to others in their community and by providing additional career opportunities for other Native Hawaiians, should they choose to go into business for themselves.
