All,

I just received a call from Mark Austin, Board Member with the Garfield County Chamber of Commerce and Escalante business owner. Mark was supposedly contacted within the last hour by a Department of Interior scheduler. He missed the call and was unable to capture the name of the individual. He would is anxious to have a potential meeting with the Secretary and has made repeated past attempts.

His phone numbers are: (b) (6)
His email is (b) (6)@gmail.com.

I told Mark that the Department of Interior, not the BLM will be responsible for Secretary Zinke's visit, but that I would pass his contact information along.

I will leave it up to you to determine if and how to get this information to the Department.

Thanks,

Ok - thanks for the feedback. Perhaps there was some confusion. I'll let our team know.
