Hi Caroline: I'm Oregon Governor Brown's DC Director and I've been talking to Tim Williams about the trip to Southern Oregon. Added here is Stormy, the Governor's scheduler. I've been told that 10-11am is taken but other time remains. I asked Tim if we could get an hour of the Secretary's time, recognizing it's limited. The Governor is eager to chat with Secretary Zinke in person for the first time and rearranging her schedule on short notice to make this work. Best, Drew Sent from my iPhone

Hi Stormy,

The Secretary's time on Sunday is very limited due to his need to fly out that evening to get back to DC. However, he is looking forward to a meeting with the Governor while on this trip. Would Governor Brown be willing to meet from 1:00-1:30PM on Sunday the 16th in Medford? We are happy to meet at a location there of the Governor's choosing, though we are also able to meet in our BLM office if you all prefer.

Best,
Caroline

Thank you for your email. The Sunday time could possibly work for Governor Brown. However, do the Saturday events include a hike and/or horseback ride? If so, the Governor would love to be included in that if possible. Please let me know your thoughts and/or the timing on that if it might be a possibility.

Hi Stormy,

The Secretary's schedule tragically does not allow for horseback riding this trip. He is hiking on Saturday morning, but he has asked that we keep that time for him and the BLM staff only so that he is able to discuss the monument with them prior to meeting with any elected officials or other groups. I apologize for the inconvenience.

Please do let us know if you think Sunday will still work on your end!

Hi Caroline,

Thanks for the follow up. We had heard that the Governor will be able to join in the hike so just wanting to make sure that no wires are crossed there before we proceed with any other plans. She would love to join if at all possible. Please let me know asap so I can make her arrangements. If not possible I will reconnect with her about Sunday and see if that is doable.

Hi Stormy,

I understand Drew talked to Downey in our office last night. Unfortunately Saturday is still not feasible with the Secretary's schedule. We did, however, have additional time open up on Sunday, and the Secretary would be able to meet with the Governor for an hour that day. Does 1:00-2:00pm work? We're still happy to host the meeting at our BLM office in Medford, since the building will be open that day for the Secretary's use.

I've also added Aaron Thiele, our Advance Representative, onto this email. Aaron will be the POC on the ground this coming weekend.

Hi Stormy,

I understand Drew talked to Downey in our office last night. Unfortunately Saturday is still not feasible with the Secretary's schedule. We did, however, have additional time open up on Sunday, and the Secretary would be able to meet with the Governor for an hour that day. Does 1:00-2:00pm work? We're still happy to host the meeting at our BLM office in Medford, since the building will be open that day for the Secretary's use.

I've also added Aaron Thiele, our Advance Representative, onto this email. Aaron will be the POC on the ground this coming weekend.

Best,

Hi Stormy,

The Secretary's schedule tragically does not allow for horseback riding this trip. He is hiking on Saturday morning, but he has asked that we keep that time for him and the BLM staff only so that he is able to discuss the monument with them prior to meeting with any elected officials or other groups. I apologize for the inconvenience.

Please do let us know if you think Sunday will still work on your end!

The Secretary's time on Sunday is very limited due to his need to fly out that evening to get back to DC. However, he is looking forward to a meeting with the Governor while on this trip. Would Governor Brown be willing to meet from 1:00-1:30PM on Sunday the 16th in Medford? I'm Oregon Governor Brown's DC Director and I've been talking to Tim Williams about the trip to Southern Oregon. Added here is Stormy, the Governor's scheduler.

I've been told that 10-11am is taken but other time remains. I asked Tim if we could get an hour of the Secretary's time, recognizing it's limited. The Governor is eager to chat with Secretary Zinke in person for the first time and rearranging her schedule on short notice to make this work.

Best,
