Team Oregon (only greeting I can think of that encompasses all of you). Hope you're all doing well. Thanks to both of your bosses for talking with the Secretary today. He appreciated their time leading up to his trip in Oregon. Two things of note:

1. The Secretary offered to meet with the Senators personally after his to give them an after action report and get their thoughts. We'd like to make that happen. I'll leave that to Caroline and both the schedulers to work out a time that works for all three players.
2. We are planning a meeting on Sunday afternoon in Medford that we'd like to invite your appropriate staff to. I don't know who that is and the specific details have not been nailed down, but if you can have your state staff put a hold on Sunday afternoon, we'd be glad to have them. As soon as I know who to coordinate with and once details are nailed down, we'll get the meeting details to them.

Thanks again for your help.

Thanks so much Micah. Senator Merkley appreciated the time the Secretary spent as well. For the Sunday meeting, our staff person and guru on all things both Klamath and Cascade-Siskiyou is Amy Amrhein – I'm cc:ing her so you can follow up.

In addition, the Governor's office asked us to let your team know that she's planning to be in the area Saturday, if that works for her to join parts of what is going on.

Thank you Caroline.

Aaron, I know where the BLM offices are. I assume we will be in the downstairs meeting room just inside the front door?

Amy and Jeremiah. Thank you for your response. Below are two events, the Senator's staff would be invited to on Sunday if you would like to attend. I never received a reply from Sen. Wyden's office about the local staffer so Amy if you know who that is please feel free to share these details with them. I would ask that you confirm with me who will be in attendance for each of the offices before Sunday so we can

make sure we have you on the attendee list. And just so you know, we do have confirmed meeting times with the Governor as well.
