Hello,

Attached you will find a compilation of all the emails and attachments from my "Trip 5 15-Jul-17" label. There is one or multiple PDF files that contain the contents of the email, and corresponding zipped folders with attachments sorted by conversation, and notated in the PDF for reference. You can view them by simply clicking the "view" link below, or they can also be downloaded locally to your computer.

To open zip files, you can use the built in zipping utility or use a third party utility like WinZip.

If you need more assistance, please contact your local help desk.
