Randy said DOI would handle the letters sent directly to the Secretary.

I'll work with Cindy to do a search for the letters sent to the BLM.

Thanks for your help.

Okay. Reason I ask is that Randy likely needs to coordinate with Exec Sec as well. There are plenty of monument letters sent to Zinke too.

Unfortunately, there is no easy way to provide the letters he's requesting. Your best bet is to do a search of the subject line for 'monument'. That will give you a list to review that includes the DCN numbers. Unfortunately, each record will have to be opened individually to access the letters.

Just curious, who in DOI made the request? Asking so I have a better idea of the scope of the search.

Hi Carrie,

As part of the effort to respond to the Executive Order on the Review of Designations under the Antiquities Act, the DOI review team would like hard copies of all letters addressed to the BLM that support or oppose National Monuments, from Jan. 20, 2017 through May 26, 2017.

Is there an efficient way to search for these?

I know most of the letters we've seen in our WO410 DTS inbox are addressed to the Secretary but I also know that a few have been addressed to the BLM and there may be letters that have gone to the BLM State Office DTS inboxes.

Thanks for any advice you have on this.
