Federal subsistence season for moose to close in a portion of Unit 5A

The YAKUTAT, Alaska - Yakutat District Ranger Lee Benson, under authority delegated by the Federal Subsistence Board, is closing the 2018 Federal subsistence moose season for the portion of Unit 5A west of the Dangerous River, except the Nunatak Bench, effective Friday, Oct. 12, 2018, at 11:59pm. The Alaska Department of Fish and Game (ADF&G) will implement a closure for the State season.

The quota for the 2018 moose season in Unit 5A is 30 bulls west of the Dangerous River and 30 bulls east of the Dangerous River. This closure is necessary to ensure that the harvest quota is not exceeded. Hunters are reminded that the remainder of Game Management Unit 5A east of the Dangerous River will remain open for moose hunting through November 15, 2018, or until 30 bulls have been harvested in that area.

For additional information, contact U.S. Forest Service Yakutat District Ranger Lee Benson at (907) 784-3359.
