Leila / Todd –

Hope you both had a good week. Colstrip United, <https://www.colstrip-united.org/>, will be in DC the first week of October. It is a grass roots community organization that supports coal mining and coal fired electricity at Colstrip, Montana. Officials from Westmoreland Coal, Cloud Peak Energy, Talen Energy and representatives of the local governments will be in DC. I appreciate how busy Secretary Zinke is, and that he very well could be on the road in October, but thought I would check to see if he's in DC and if he would have an interest in sitting down or stopping by to say hi to the group. As an FYI, they have a meeting already scheduled with Brian Steed on the morning of Thursday, October 4 so, if nothing works for the Secretary, they'll be able to speak with a political appointee at the agency.

Thanks.

Kelly
