Leila-

I hope you had a great weekend – the weather was so beautiful.

I am sending an invite for the LC meeting. I found an old to use for text but I have questions about the list.

As an FYI – the files you saved to the Global Energy archive folder – have all been deleted. They only last for 30-60 days in that folder.

Can you spare 10 minutes to chat?

Thanks,

**Sue Forrester**
