Hello Becky,

I hope you are doing well! I am working on planning a retreat here at DOI, and we would like to include some team building/trainings. I miss all of the wonderful trainings you hosted at Heritage. I think one of my favorites was the one that divided everyone into doers, innovators, problem solvers, and brain stormers. That was so much fun but still very applicable and helpful.

I would love to pick your brain about your experience with these. Do you have any time Friday morning, by any chance? The Secretary will be Out of the Office, and I could easily come to Heritage if you have time to talk with me about this. I know this is a last minute request, but if you are available I can't think of anyone better to go to for advice.

Warmly,  
Elinor
