Hello John,

It was lovely to meet you too. I apologize for the delay emailing you back. The tour is about half an hour. These tours are closed to the public and can only be accessed by the Secretary of Interior. Unfortunately, the roof is still under construction, but he can still take everyone on a guided tour of the basement, where you can view graffiti from workers who helped to build the Memorial and the stalagmites and stalactites throughout the underground.

The Secretary would be happy to include Larry and Alex. The tour is scheduled for 4:00 today, so please meet him at the door at bottom right of the monument (when facing the monument) a little before that. Aaron Thiele will be advancing the trip today, so if you run into any problems please call him at 202-897-7178.

Warmly,
Elinor

Elinor,

Great meeting you yesterday. I'm going to try to make the 4 pm tour. Trying to juggle but if you could shoot me instructions, I'd really appreciate it.

Also, I was wondering a couple things

- * how long is the tour
- * would it be possible to bring a guest or two. Not sure if they can make it but it would be our ceo Larry Solov and our editor in chief Alex Marlow

If that's inconvenient, no worries at all.

Thanks again for all the help

Jon
