Secretary Zinke,

API is appreciative of your leadership and the proactive approach that you and the Department have taken to promote domestic energy development. We specifically are encouraged by the steps outlined in Secretarial Order 3350, which advances an America first approach to offshore energy and will help us maintain our position as a global energy leader. We respectfully provide the attached letter (and associated attachments) to inform the regulatory and policy reviews directed by the order and to offer any needed assistance to you as DOI continues to implement the Secretarial Order. In this letter we address broad themes associated with each subject area addressed in the Secretarial Order and provide specific industry concerns in each area.

Again, thank you for your leadership, and we look forward to continued engagement to help drive American energy production forward.

Best regards,

Erik Milito
