ACT 171  S.B. NO. 10

A Bill for an Act Relating to Housing.

Be it enacted by the Legislature of the State of Hawaii:

SECTION 1. Findings and Purpose. The legislature finds that a critical housing shortage still exists in the State and that a major percentage of our citizens are unable to acquire housing. The legislature has determined that certain technical and substantive amendments to chapters 356 and 359G of the Hawaii Revised Statutes will aid in the production of housing units for low income families. It is the purpose of this Act to provide as effective a mechanism as possible to achieve the goal of shelter for our citizens.

SECTION 2. Section 356-5, Hawaii Revised Statutes, is amended to read as follows:

"Sec. 356-5 Housing authority to be public corporation; commissioners. An authority to be known as the Hawaii housing authority is created. The authority shall be a public body and a body corporate and politic with perpetual existence, and shall consist of eight commissioners of whom six shall be public members appointed by the governor with the consent of the senate. Not more than three of the public members shall be members of the same political party. Two of the public members of the commission shall be appointed at large, one shall be appointed from the city and county of Honolulu and one from each of the counties of Hawaii, Maui and Kauai. The director of social services shall be an ex officio voting member of the housing authority as provided for in section 26-14, but shall not be an ex officio chairman. The special assistant for housing appointed pursuant to section 359G-2 shall be an ex officio voting member of the housing authority.

A commissioner shall hold office until his successor has been appointed and has qualified. Vacancies shall be filled for the unexpired term. Four commissioners shall constitute a quorum, whose affirmative vote shall be necessary for all actions by the authority. The governor shall file with the lieutenant governor a certificate of the appointment or reappointment of any commissioner and the certificate shall be conclusive evidence of the due and proper appointment of the commissioner. A commissioner shall receive no compensation for his services but he shall be entitled to the necessary expenses including traveling expenses incurred in the discharge of his duties."

The exchange of land shall be in accordance with section 171-50; provided that the public land to be exchanged need not be of like use to that of the private land; and provided further, that if the use of the private land prior to the exchange is intensive agricultural, the authority shall determine the agricultural productivity of the private land and, whenever and wherever possible, exchange so much state land as shall be sufficient to approximate or equal the productivity of the private land so acquired by the State.

Except as hereinafter set forth in this paragraph, the authority may also develop state lands but not federal lands, state monuments or historical sites or parks and subject to the prior approval of the land use commission in the case of agricultural land and the prior approval of the board of land and natural resources in the case of conservation land. Whenever it proposes to develop public lands it shall file with the department of land and natural resources a petition setting forth such purpose and such petition shall be conclusive proof that the use to which the property is sought to be put is a superior public use to that to which it has already been appropriated. The fair market value of the public land may be paid by the authority and computed as cost or subsidized by the State subject to reimbursement under section 359G-9. The authority shall not, however, possess the power to develop, or develop, any public lands where the possession of such power or such development (1) would endanger the receipt of any federal grant or impair the eligibility of any public body for a federal grant or prevent the participation by the federal government in any governmental program or (2) would impair any covenant between the State or any county or any department or board thereof and the holders of bonds issued by the State or such county, department or board.

H.B. NO. 2253-74

A Bill for an Act Relating to Conditions of Loans Made by the Department of Hawaiian Home Lands under the Hawaiian Homes Commission Act, 1920, As Amended.

Be It Enacted by the Legislature of the State of Hawaii:

SECTION 1. Section 215 of the Hawaiian Homes Commission Act, 1920, as amended, is amended to read:

“Sec. 215. Conditions of loans. Except as otherwise provided in section 213(i), each contract of loan with the lessee or any successor or successors to his interest in the tract or with any agricultural or mercantile cooperative association composed entirely of lessees shall be held subject to the following conditions whether or not stipulated in the contract of loan:

(1) At any one time, the outstanding amount of loans made to any lessee, or successor or successors in interest, for the repair, maintenance, purchase, and erection of a dwelling and related permanent improvements shall not exceed $25,000, for the development and operation of a farm or a ranch shall not exceed $25,000, except that when loans are made to an agricultural cooperative association for the purposes stated in paragraph (4) of section 214, the loan limit shall be determined by the department on the basis of the proposed operations and the available security of the association, and for the development and operation of a mercantile establishment shall not exceed the loan limit determined by the department on the basis of the proposed operations and the available security of the lessee or of the organization formed and controlled by lessees; provided, that where, upon the death of a lessee
loans Made by the Department of Hawaiian Homes Commission Act, 1920, in accordance with paragraph (h) to read:

The loans shall be for the repair, maintenance, purchase or improvement of a farm or a ranch, or the purchase of permanent improvements, and operation of a farm or a ranch, or the purchase or installation of equipment for the repair, maintenance, purchase or improvement of a farm or a ranch, or the purchase of permanent improvements, and operation of a farm or a ranch, or for the purchase or installation of equipment for the repair, maintenance, purchase or improvement of a farm or a ranch, or the purchase of permanent improvements, and operation of a farm or a ranch, or for the purchase or installation of equipment for the repair, maintenance, purchase or improvement of a farm or a ranch, or the purchase of permanent improvements, and operation of a farm or a ranch, or for the purchase or installation of equipment for the repair, maintenance, purchase or improvement of a farm or a ranch, or the purchase of permanent improvements, and operation of a farm or a ranch. The department shall not assume any outstanding loan or loans thereon, if any, without limitation as to the above maximum amounts but subject to paragraph (3) of this section.

(2) The loans shall be repaid in periodic installments, such installments to be monthly, quarterly, semi-annual, or annual as may be determined by the department in each case. The term of any loan shall not exceed thirty years. Payments of any sum in addition to the required installments, or payment of the entire amount of the loan, may be made at any time within the term of the loan. All unpaid balances of principal shall bear interest at the rate of two and one-half per cent a year for loans made directly from the Hawaiian home-loan fund, or at the rate the State has established for other loans, payable periodically or upon demand by the department, as the department may determine. The payment of any installment due shall be postponed in whole or in part by the department for such reasons as it deems good and sufficient and until such later date as it deems advisable. Such postponed payments shall continue to bear interest on the unpaid principal at the rate established for the loan.

(3) In the case of the death of a lessee the department shall, in any case, permit the successor or successors to the tract to assume the contract of loan subject to paragraph (1) of this section. In case of the cancellation of a lease by the department or the surrender of a lease by the lessee, the department may, at its option declare all installments upon the loan immediately due and payable, or permit the successor or successors to the tract to assume the contract of loan subject to paragraph (1) of this section. The department may, in such cases where the successor or successors to the tract assume the contract of loan, waive the payment, wholly or in part, of interest already due and delinquent upon said loan, or postpone the payment of any installment thereon, wholly or in part, until such later date as it deems advisable. Such postponed payments shall, however, continue to bear interest on the unpaid principal at the rate established for the loan. Further, the department may, if it deems advisable and for the best interests of the lessees, write-off and cancel, wholly or in part, the contract of loan of the deceased lessee, or previous lessee, as the case may be, where such loans are delinquent and deemed uncollectible. Such write-off and cancellation shall be made only after an appraisal of all improvements and growing crops on the tract involved, such appraisal to be made in the manner and as provided for by section 209(1). In every case, the amount of such appraisal, or any part thereof, shall be considered as part or of...
all, as the case may be, of any loan to such successor or successors, subject to paragraph (1) of this section.

(4) No part of the moneys loaned shall be devoted to any purpose other than those for which the loan is made.

(5) The borrower or the successor to his interest shall comply with such other conditions, not in conflict with any provision of this title, as the department may stipulate in the contract of loan.

(6) The borrower or the successor to his interest shall comply with the conditions enumerated in section 208, and with the provisions of section 209 of this title in respect to the lease of any tract.

(7) Whenever the department shall determine that a borrower is delinquent in the payment of any indebtedness to the department, it may require such borrower to execute an assignment to it, not to exceed, however, the amount of the total indebtedness of such borrower, including the indebtedness to others the payment of which has been assured by the department of all moneys due or to become due to such borrower by reason of any agreement or contract, collective or otherwise, to which the borrower is a party. Failure to execute such an assignment when requested by the department shall be sufficient ground for cancellation of the borrower's lease or interest therein."

SECTION 2. The provisions of these legislative amendments are declared to be severable, and if any section, sentence, clause or phrase of these legislative amendments or any of them, or the application thereof to any person or circumstances is held ineffective because the prior consent of the United States is required, then that portion only shall take effect upon or according to the grant of such consent by the United States and the effectiveness of the remainder of these legislative amendments or the application thereof shall not be affected.

Be It Enacted by the Legislature of the State of Hawaii:

SECTION 1. Originally, the Keaukaha-Panaewa Hawaiian home lands were used and intended for residential purposes. However, the land was rezoned, without Hawaiian homes permission, for use as a light industrial area. During the years that it was zoned industrial, nothing was allocated for the repair, renovation, and replacement of homes. Accordingly, many homes deteriorated into barely liveable, substandard structures. The rezoning has since reverted back to residential and no funds are available for the replacement of these homes. Therefore, it is the purpose of this Act to establish a Keaukaha-Waiakea home-replacement loan fund and a construction loan fund under the Hawaiian Homes Commission Act.

SECTION 2. Section 213, Hawaiian Homes Commission Act, 1920, as amended, is further amended to read:

"Sec. 213 Hawaiian home-loan fund; Hawaiian home-development fund; Hawaiian home-operating fund; administration account; Hawaiian home-farm loan fund; Hawaiian home-commercial loan fund; Hawaiian home-repair loan fund; Anahola-Kekaha loan fund; Hawaiian loan guarantee fund; and the Keaukaha-Waiakea home-replacement loan fund; Keaukaha-Waiakea home construction fund. (a) There are hereby established in the treasury of the State eight revolving funds to be known as the Hawaiian home-loan fund, the Hawaiian home-operating fund, the Hawaiian home-farm loan fund, the Hawaiian home-commercial loan fund, the Hawaiian home-repair loan fund, the Anahola-Kekaha loan fund, the Hawaiian loan guarantee fund, and the Keaukaha-Waiakea home-replacement loan fund; Keaukaha-Waiakea home construction fund. (b) Hawaiian home-loan fund. Thirty per cent of the state receipts derived from the leasing of cultivated sugar-cane lands under any other provisions of law or from water licenses, shall be deposited into the Hawaiian home-loan fund until the aggregate amount of the fund (including in such amount the principal of all outstanding loans and advances, and all transfers which have been made from this fund to other funds for which this fund has not been or need not be reimbursed) shall equal $5,000,000. In addition to these moneys,
