

# National Science Foundation Insular Areas Outreach

Senior Plenary Session Interagency Group on Insular Areas (IGIA) February 26, 2013

John S. Cruickshank jcruicks@nsf.gov

## The Tyranny of Distance

#### **How Remoteness Has Reshaped Outreach**

### Political Organization of the Insular Areas

Defining the Relationship Between the United States and the Eligible Entities for NSF Funding in Micronesia, Polynesia, and the Caribbean

- U.S. Territories Full Eligibility: American Samoa, Guam, U.S. Virgin Islands
- U.S. Commonwealth Full Eligibility: Commonwealth of the Northern Mariana Islands (CNMI)
- Freely Associated States Limited Eligibility: Federated States of Micronesia (FSM), Republic of the Marshall Islands (RMI), and the Republic of Palau (ROP)

## NSF Outreach to the Insular Areas

Capacity Building, Broadening Participation, and Technical Assistance

Competitive Grant Workshops from 2007-2013 focus on identifying targeted funding opportunities particularly to community colleges in strategic priority areas:

- Research
- Education
- Workforce Development
- Climate Change

## NSF Outreach to the Insular Areas

Supports NSF's Asian-American and Pacific Islander (AAPI) Initiative An Underrepresented Community

University of the Virgin Islands a Historically Black College and University

**Guam Eligible for EPSCoR Program** 

American Samoa, Guam, the Northern Mariana Islands, and the U.S. Virgin Islands Encouraged to Apply to PAEMST Program

### **Barometers of Success**

## Four Key Indices and Variables for the Pacific Islands

- 1. Increasing proposal loads and submissions?
- 2. Making competitive grants?
- 3. Establishing high-level contacts?
- 4. Linking collaborators?

### **Innovative Model of Outreach**

#### A Five Point Framework for the Pacific Islands

#### **Expertise and experience on the ground:**

- Site visits to all six U.S.-affiliated Pacific Island jurisdictions
- •Attendance, presentations, and workshops at Pacific regional conferences
- •Two page concept papers from the field

#### **Growing a research and development base:**

- Competitive awards to institutions in Micronesia and the South Pacific
- Long term and high level educational and political relationships

#### <u>Integrating research, education, and diversity:</u>

- Pacific Learning Network of researchers, educators, and civil society organizations
- Diverse collaboration in support of indigenous learning, traditional knowledge, and place-based approaches across Oceania

#### **Historical Background and Cultural Sensitivity:**

• An extensive knowledge of the historical and cultural distinctions of the Mariana, Samoa, Marshall, and Caroline Islands

#### **Outreach and Inreach:**

- John S. Cruickshank is the key contact for the Pacific Islands at NSF
- Seminars at NSF about capacity building and broadening participation to the Pacific Islander community

DRL-1114686	"The Change" Film / Tuvalu	Ironbound Films, Inc.	\$818,760

## High-Level Contacts in the Pacific Islands

### Connecting Leaders in a Partnership for STEM (Science, Technology, Mathematics and Engineering)

#### **Government**

- President Johnson Toribiong
   Republic of Palau
- President Emanuel Mori
   Federated States of Micronesia
- Lt. Governor Ray TenorioGuam
- o Governor Eddie Calvo Guam
- o Governor Benigno Fitial
  Commonwealth of the Northern Mariana Islands
- Minister of Education Dr. Hilda Heine Republic of the Marshall Islands

#### **Academia/Federal**

- Dr. Patrick Tellei , President
   Palau Community College
- Dr. Robert Underwood, President University of Guam
- Dr. Mary Okada, President Guam Community College
- Mr. Carl Hacker, President
   College of the Marshall Islands
- Dr. Seth Galea'i, President
   American Samoa Community College
- Mr. Tony Babauta, Asst. Secretary for Insular Areas Department of the Interior

NSF's outreach efforts have garnered television, radio and newspaper coverage in all of the islands; the media exposure has leveraged the NSF outreach and demonstrated its commitment to partner with the region.

## Pacific Islanders Working to Solve Pacific Island Problems

### **Creating a Pacific Learning Network**

#### **Institutions of Higher Education**

- University of Guam
- Guam Community College
- Northern Mariana College
- American Samoa Community College
- College of the Marshall Islands
- College of Micronesia
- Palau Community College

#### **Relevant Organizations**

- Pacific Resources for Education and Learning (PREL)
- Pacific Postsecondary Education Council (PPEC)
- Pacific Islands Bilingual-Bicultural Association (PIBBA) International
- Pacific/Polar Opportunities to Learn, Advance and Research Indigenous Systems (POLARIS)

Collaborating, partnering, and networking to produce competitive, successful proposals that engage the entire region.
