IMPACT OF THE COMPACTS OF FREE ASSOCIATION ON GUAM FY 2004 through FY 2014

Overview

Since 1947, the United Nations Trusteeship was entered between the United States and the district islands in the Pacific administered by the Department of the Navy and then by the Department of the Interior. Formerly known as the Trust Territory of the Pacific Islands, the district islands developed into three sovereign nations, the Federated States of Micronesia (FSM), the Republic of the Marshall Islands (RMI), and the Republic of Palau. These nations entered into a relationship known as the Compact of Free Association with the United States to be given financial assistance and commitments in exchange for international defense authority.

The Compact of Free Association Act of 1985 (P.L.99-239), implemented in 1986, establishes the relationship between the United States, FSM and RMI. The Compact of Free Association Act of 1985 (P.L.99-658), implemented in November 1994, establishes the relationship between the United States and the Republic of Palau. The Compact of Free Association Amendments Act of 2003 (P.L.108-188) renewed the original Compact of Free Association (P.L. 99-239) between the United States, FSM and RMI. Compact immigration provisions authorize unrestricted immigration into the United States, its territories and possessions, enabling citizens of these nations to enter into, lawfully engage in occupations, and establish residence as non-immigrant aliens.

In recognition of the possible adverse impact to Guam's economy of providing health care, education, job training and public assistance to the peoples of foreign nations not domiciled on Guam, Congress promised to appropriate sums to cover costs incurred by Guam resulting from any increased demands placed on educational and social services by immigrants from FSM, RMI, and the Republic of Palau (collectively known as the Freely Associated States, or FAS). Pursuant to Public Law 106-504, annual reports are to be submitted to the Secretary of the Department of the Interior who "shall review and forward any such reports to the Congress with the comments of the Administration." Guam has been providing annual reports to the Department of Interior since 1987.

A provision in Public Law 108-188 authorized the President of the United States, at the request of the Governors of Guam and the Commonwealth of the Northern Mariana Islands (CNMI), to release, reduce, or waive, in whole or in part, any amounts owed to the United States Government as an offset for past un-reimbursed Compact impact costs by their respective governments. Guam's Compact Impact Reconciliation Report and the verification by an independent accounting firm were submitted to the Department of the Interior on April 13, 2004. The un-reimbursed Compact Impact cost for the period FY 1987 to FY 2003 totaled \$269 million. The un-reimbursed costs include \$178 million for education, \$48 million for health, welfare and labor, and \$43 million for public safety. Guam's request for \$200 million in debt-relief was declined.

This report also examines the amount of assistance provided to citizens of the Freely Associated States by Guam for the period FY 2004 through FY 2014 and provides an update to the Compact Impact Reconciliation Report. The Government of Guam finds that the currently identified locally funded cost incurred for providing educational and social services to citizens of the Freely Associated States was \$33.2 million in FY 2004, \$33.6 million in FY 2005, \$43.3 million in FY 2006, \$46.5 million in FY 2007, \$56.1 in FY 2008, \$64.1 million in FY 2009, \$71.6 million in FY 2010, \$100.9 million in FY 2011, \$122.3 million in FY 2012, \$140.3 million in FY 2013, and \$144.3 million in FY 2014 for a total of **\$856.1 million** (unaudited) for the past eleven fiscal years. EDUCATION

1. Department of Education (formerly, Guam Public School System)

The Department of Education (DOE), formerly known as the Guam Public School System (GPSS), provides a comprehensive instructional program and activities in the public schools for students in order to develop physical, social and occupational skills as well as essential guidance to develop the attitudes, values and skill for success in society. The department makes available to all students of Guam the opportunity to benefit from a free public education.

The Compacts of Free Association affords FAS citizens the right to attend school on Guam without special permit. No period of residency is required.

The Department of Education continues to be the largest single agency on impact cost. DOE enrollment decreased from 31,340 students in FY 2003 to 29,745 students in FY 2004 (SY 2003-2004). FAS student enrollment increased from 3,735 students in FY 2003 to 4,023 students in FY 2004 (SY 2003-2004). In FY 2005 (SY 2004-2005), the total enrollment rose slightly to 29,881 students. In FY 2005 (SY 2004-2005), the total FAS student enrollment was 4,525 students, accounting for 15.1 percent of GPSS's total enrollment compared to 13.5 percent in FY 2004 and 12.0 percent in FY 2003. In FY 2006 (SY 2005-2006), the enrollment was 29,965 students. In FY 2006 (SY 2005-2006), FAS student enrollment was 4,898 students, or 16.3 percent of the total enrollment. For FY 2007 (SY 2006-2007), enrollment increased to 31,724 students. In FY 2007 (SY 2006-2007), FAS student enrollment was 5,149 students, representing 16.2 percent of the total enrollment. For FY 2008 (SY 2007-2008), enrollment decreased to 30,362 students. In FY 2008 (SY 2007-2008), FAS student enrollment was 5,603 students, or 18.5 percent of the total enrollment. For FY 2009 (SY 2008-2009), the total enrollment was 30,155 students. In FY 2009 (SY 2008-2009), FAS student enrollment decreased to 5,442 students, or 18.0 percent of the total enrollment. For FY 2010 (SY 2009-2010), the total enrollment increased slightly to 30,306 students from the previous school year. In FY 2010 (SY 2009-2010), FAS student enrollment again decreased to 5,073 students, or 16.7 percent of the total enrollment. For FY 2011 (SY 2010-2011), the total enrollment decreased to 30,240 students. In FY 2011 (SY 2010-2011), FAS student enrollment was 6,559 students, or 21.7 percent of the total enrollment. For FY 2012 (SY 2011-2012), the total enrollment was 30,233 students. In FY 2012 (SY 2011-2012), FAS student enrollment was 6,979 students, or 23.1 percent of the total enrollment. For FY 2013, the total enrollment rose to 30,801 students. In FY 2013 (SY 2012-2013), FAS student enrollment was 7,134 students or 23.2 percent of the total enrollment. In FY 2014 (SY 2013-2014), total enrollment decreased slightly to 30,507 students. In FY 2014, FAS student enrollment was 7,334 or 24 percent of total enrollment.

Figure 1 shows Department of Education's student population for the School Years 2009-2010 to 2013-2014. Total students from the Freely Associated States nearly doubled between SY 2003-2004 and SY 2013-2014 from 4,023 FAS students in SY2003-2004 to 7,334 in SY 2013-2014. Total FAS student population

has risen steadily for the past five years from 16.7 percent in SY 2009-2010 to representing nearly a quarter of Guam's public school population in SY 2013-2014.

For FY 2004 (SY2003-2004) the cost incurred by the Department of Education (DOE) to educate 3,507 FAS students (4,023 total FAS enrollment minus 516 FAS student baseline) at an average cost of \$4,912 per pupil was \$17,224,876. 3. Department of Youth Affairs

The Department of Youth Affairs (DYA) is responsible for operating and maintaining the island's youth correctional facility. It provides correctional services for youth clientele, including custodial care, treatment and rehabilitation services for those adjudicated by the courts. The Department administers the juvenile delinquency prevention programs, as well as provides for the development of pre-vocational skill and training. The Department of Youth Affairs has three service divisions: Division of Special Services (Youth Corrections), Division of Youth Development, and the Division of Vocational Rehabilitation and Support Services.

The Department of Youth Affairs reported a total of 245 Compact of Free Association clients confined to the Youth Correctional Facility and Cottage Homes for Fiscal Year 2014, up 35 percent from the number for Compact of Free Association clients confined to the facility from the previous year. DYA reported that FAS client days rose from 5,231 days in FY 2013 to 9,268 client days in FY 2014. The Youth Corrections Division has found that the cost of providing services to 76 clients from the Freely Associated States was \$339,487 for FY 2004. For FY 2005, the cost was \$301,997 for 58 FAS clients. For FY 2006, the cost was \$691,183 for 174 FAS clients. For FY 2007, the cost was \$965,710 for 248 FAS clients. For FY 2008, the cost was \$827,711 for 199 FAS clients. For FY 2009, the cost was \$1,228,005 for 190 clients. For FY 2010, the cost was \$908,806 for 182 FAS clients. 4. Department of Military Affairs, Office of Civil Defense

The Department of Military Affairs is tasked with controlling the operations of the Guam Army and Air National Guard and protecting Guam and the United States of America in time of war, rebellion, riot, imminent danger or any state of emergency. Guam Public Law 24-298 consolidated the Office of Veterans Affairs and Office of Civil Defense with the Department of Military Affairs. The Department now includes responsibilities for the administration of veterans programs and services for citizens who served in the Armed Forces. The Department is also tasked with planning and development of programs that provide for the safety and protection of life and property in the event of natural disasters such as typhoons, earthquakes, floods and seismic waves as well as Homeland Security.

The cost of providing services by the Office of Civil Defense (OCD) to Guam's FAS population was calculated by dividing OCD's total FY expenditures by the de facto population of Guam (including visitors), and multiplying the result by the percentage of FAS citizens (with the baseline of 2,413 persons subtracted) residing on Guam. In FY 2004, the cost for OCD protective services for FAS citizens was \$8,659. For FY 2005, the cost of OCD protective services for FAS citizens was \$2,432. For FY 2006, the cost for OCD protective services for FAS citizens was \$31,421. For FY 2007, the cost for OCD protective services for FAS citizens was \$33,022. Guam Fire Department services are provided to all Guam residents, irrespective of citizenship or residency status, including visitors and military personnel and their dependents when they are on civilian lands.

The cost of providing services to Guam's FAS population was calculated by dividing GFD's total FY expenditures by the de facto population of Guam (including visitors), and multiplying the result by the percentage of FAS citizens (with the baseline of 2,413 persons subtracted) residing on Guam. In FY 2004, the cost for GFD protective services for FAS citizens was \$1,299,767. For FY 2005, the cost was \$1,494,096. For FY 2006, the cost was \$1,711,719. For FY 2007, the cost was \$1,883,952. For FY 2008, the cost was \$2,064,774. For FY 2009, the cost was \$2,072,322. For FY 2010, the cost was \$2,521,192. For FY 2011, the cost was \$2,644,335. For FY 2012, the cost was \$2,401,559. For FY 2013, the cost was \$3,095,448. For FY 2014, the cost was \$3,367,123.

The total cost to the Guam Fire Department for providing protective services for FAS citizens was \$24,556,287 for the past eleven fiscal years.

The Public Defender Service Corporation (PDSC) is a public corporation affiliated with the judicial branch of Guam. The incorporating statute of the Public Defender Service Corporation provides that the Corporation will handle criminal and civil cases as follows:

Criminal cases: It shall be the duty of the Corporation to defend indigent persons charged in criminal cases before the courts of Guam

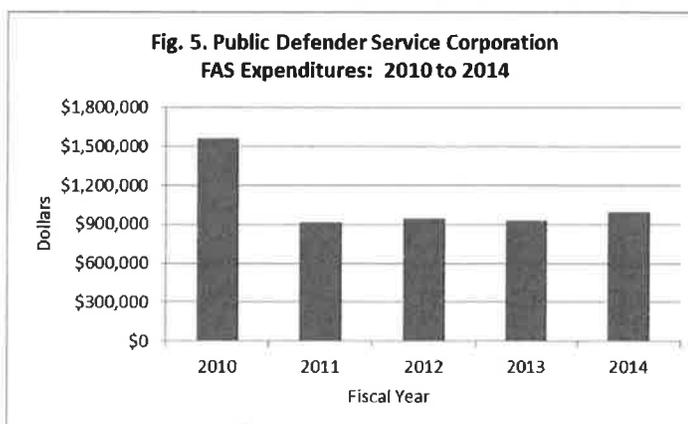

Civil matters: The Corporation shall render legal aid and assistance to those persons in Guam, who, under rules established by the Corporation, are in need of legal assistance and representation and who are unable to afford an attorney in private practice

The court also has the power to appoint the Public Defender Service Corporation in certain civil and domestic matters such as assigning counsel as guardian ad litem in child or adult abuse cases, child custody situations and guardianships and counsel who may be appointed for persons charged with criminal contempt in civil and domestic matters. These appointments arise out of the inherent powers of the court and are covered by court rules regarding appointment of counsel in non-criminal matters.
