1 Introduction

The Office of the Chief Information Officer (OCIO) Employee Guide is a reference document created to educate OCIO employees on our administrative operations along with other valuable information that would be of interest to employees located in the Washington, DC, Reston, VA and Denver, Colorado areas.

Additionally, a more comprehensive document, the [OCIO 'How To' Guide on Administrative Operations](#), which supplements the Employee Guide, was also created to provide detailed instructions on our administrative operations.

We hope all OCIO employees will find this guide to be a valuable resource that helps them to perform their daily work requirements.

1.1 About the Document

The purpose of the OCIO Employee Guide is to educate OCIO employees on the structure of the organization as well as provide detailed instructions on the various day-to-day operations. The objectives of the guide are as follows:

- ❖ Identify the OCIO Leadership and Executive Support Staff
- ❖ Identify the structure of the organization
- ❖ Briefly describe the various information technology (IT) functions and services OCIO provides and the Functional Leads
- ❖ Communicate the protocols (i.e., T&A, Official Travel, Training, Parking, etc.) of the organization and provide detailed instruction on how to meet the necessary requirements as appropriate.
- ❖ Promote an awareness of the work environment at the DOI Washington, DC and Denver, CO locations to include the services and operations (e.g. Physical Security, Onsite Amenities, Logistical and Help Desk Support Services, etc.) available to both DOI employees and the neighboring agencies.

Additionally, the guide provides “For Your Information (FYI)” materials such as the locations of OCIO official correspondence (i.e., policies, directives, memorandums, etc.), links to websites for the latest information on the OCIO IT Transformation initiative as well as accessing “Tips” on how to use BisonConnect and much more.

1.2 Background

The Office of the Chief Information Officer (OCIO) provides leadership to the Department of the Interior (DOI) and its bureaus in all areas of information management and technology. The OCIO applies modern Information Technology (IT) tools, approaches, systems and products to successfully serve the Department’s multiple missions. Effective and innovative use of technology and information resources enables transparency and accessibility of information and services to the public.

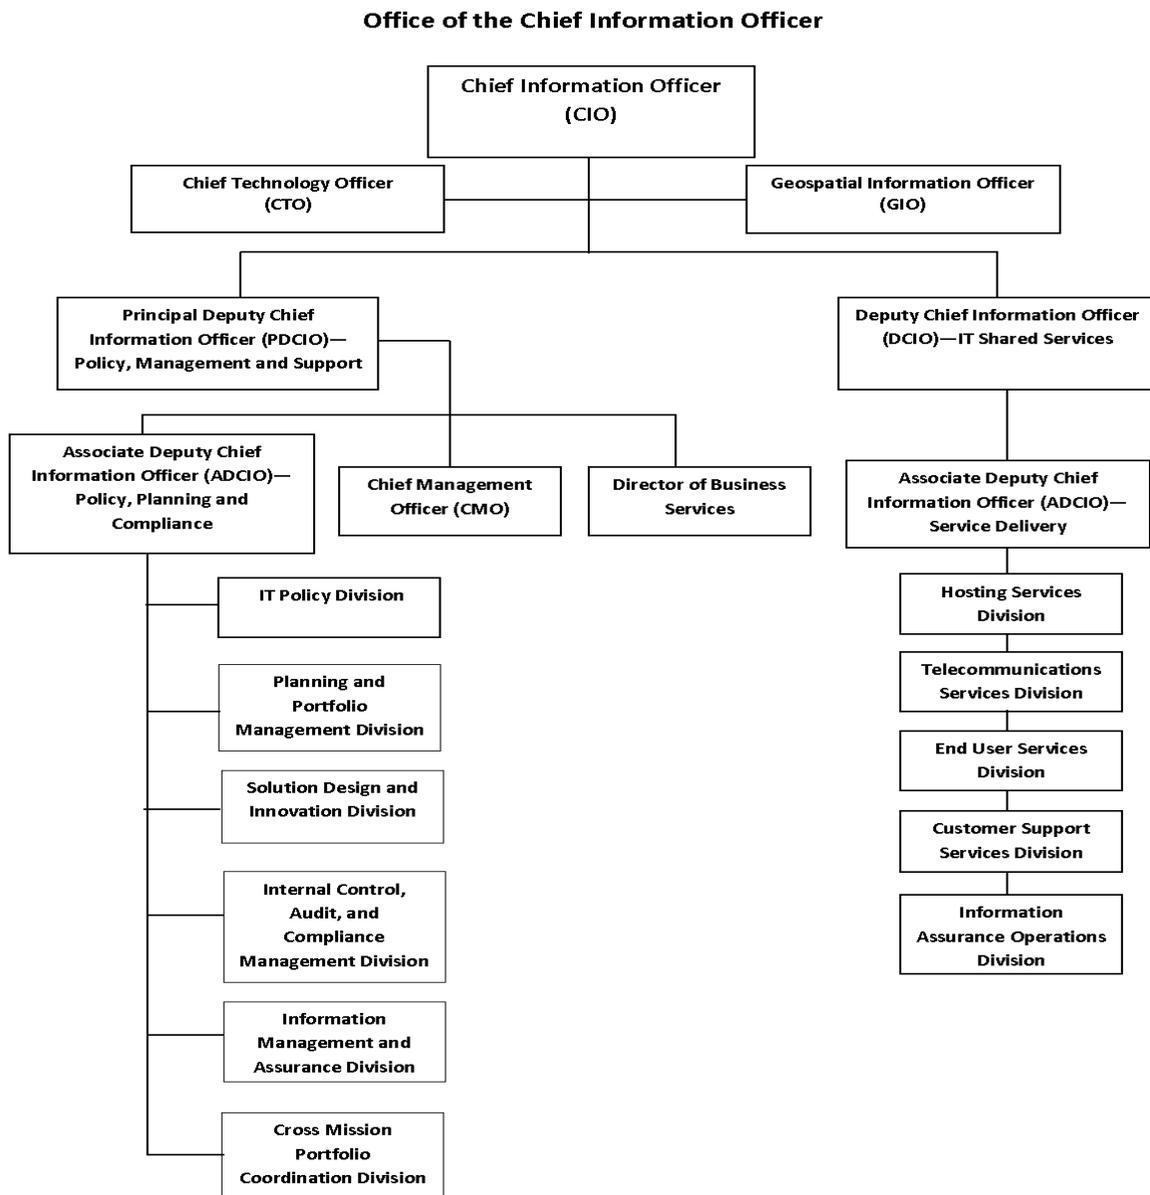

The OCIO is currently implementing a series of technology innovations and efficiencies to deliver improved services across the Department at lower costs. These initiatives include reducing operating costs and energy consumption by consolidating and centralizing the IT infrastructure and compliance functions across the Department. We are also working to align IT capabilities with business and mission areas. This alignment will increase effectiveness, improve transparency and increase productivity, while striving to improve service delivery and customer satisfaction.

1.3 The OCIO Organization

The purpose of the OCIO organization is to establish and manage a comprehensive information resource management (IRM) program for the DOI. The basic elements of the program include policy, planning, execution, oversight and service delivery.

The primary authorities for the mission and function of the organization include: Public Law 104-106 Division E – Information Technology Management Reform Act (ITMRA) also known as the “Clinger-Cohen Act of 1996”; The Government Paperwork Elimination Act; The Paperwork Reduction Act; The Federal Records Act (as amended); The Privacy Act; The Intelligence Reform and Terrorism Prevention Act (IRTRA); The E-Government Act (E-GOV); The Federal Information Security Management Act (FISMA); and OMB Memorandum M-0-02, “Information Technology Management Structure and Governance Framework”.

Figure 1. OCIO Organization Structure

1.3.1 OCIO Leadership

Chief Information Officer (CIO):

The OCIO is headed by the Chief Information Officer (CIO). The CIO reports to the Secretary and receives operational guidance and support from the Assistant Secretary – Policy, Management and Budget through the Deputy Assistant Secretary – Technology, Information, and Business Services. The CIO is responsible for providing the vision and leadership in the development and implementation of the DOI-wide IRM and information technology (IT) program. The CIO leads DOI in planning and implementing enterprise information systems to support both distributed and centralized business operations and achieve effective and cost beneficial enterprise-wide IT operations. The CIO carries out these functions with the assistance of the Principal Deputy Chief Information Officer, Chief Technology Officer, Geospatial Information Officer and Deputy Chief Information Officer.

Principal Deputy Chief Information Officer (PDCIO) – Policy, Management and Support:

The Principal Deputy Chief Information Officer (PDCIO) reports directly to the CIO. This position is responsible for the supporting the CIO and managing the day-to-day operations of OCIO. The PDCIO serves as the alternate senior IT authority in the absence of the CIO or as otherwise delegated. The Associate DCIO for Policy, Planning and Compliance, the Chief Management Officer, and the Director of Business Services, the report to the PDCIO.

Deputy Chief Information Officer (DCIO) – IT Shared Services (ITSS): The Deputy Chief Information Officer (DCIO) for the ITSS reports directly to the CIO and oversees enterprise commodity and shared IT services that enable DOI to accomplish its mission. These services include delivering enterprise IT services, and monitoring and protecting DOI's information systems.

Chief Technology Officer (CTO):

The Chief Technology Officer (CTO) reports directly to the CIO. This position is responsible for identifying IT innovations and technology trends in the marketplace and in government to advise the CIO on technology strategies and initiatives to pursue. These strategies integrate into DOI's technical architecture and are the basis for technology related investments and development efforts that support the transition of the existing IT operating environment to future states.

Geospatial Information Officer (GIO):

The Geospatial Information Officer (GIO) reports directly to the CIO. This position is responsible for providing DOI governance and collaboration support; develop policies, procedures, and enterprise strategy; and create and manage shared technology resources to enable all Bureaus and Offices to more effectively leverage geospatial information and tools to accomplish their respective mission.

Director of Business Services (OBS):

The Director of Business Services is responsible for assisting OCIO with developing internal policies and standard operating procedures for administrative procedures, acquisition, personnel, and financial management. Business Services is responsible for managing OCIO's operating budget, acquisitions, and human resources. Business Services determines the most efficient and cost-effective business service solutions in support of the mission, goals, and objectives of OCIO. Business Services is responsible for providing IT vendor management services in an effort to control costs, drive service excellence, and mitigate risks to gain increased value from IT vendors throughout the contract life-cycle.

Associate Deputy Chief Information Officer (ADCIO) - Policy, Planning and Compliance (PPC):

The Associate Deputy Chief Information Officer (ADCIO) for Policy, Planning and Compliance (PPC) is responsible for providing leadership over DOI activities that support DOI compliance with Federal IT Laws, regulations, and directives. The PPC provides customer-driven, results-oriented IT policy and planning services to mission and program stakeholders as an on-demand service provider to Bureaus/Offices and internal OCIO offices in the functional areas outlined by OMB Circular A-130. The ADCIO leads the design, development, and coordination of the implementation of new enterprise IT services.

Chief Management Officer (CMO):

The Chief Management Officer (CMO) is responsible for assisting the CIO and PDCIO with developing strategies and associated plans and communications to the customers, employees, and stakeholders. In addition, the CMO provides oversight of OCIO initiatives, programs, and projects to ensure that they are aligned with OCIO strategy, values, priorities, and meeting performance expectations.

Associate Deputy Chief Information Officer (ADCIO) – Service Delivery (SD):

The Associate Deputy Chief Information Officer (ADCIO) – Service Delivery (SD), reports directly to the DCIO of ITSS, and assists in the oversight of the enterprise IT shared services. The ADCIO - SD serves as the alternate senior IT authority in the absence of the DCIO for ITSS, or as otherwise delegated. The ADCIO-SD is responsible for the delivery of five enterprise IT service areas in addition to interfacing and participating in the design and development of new enterprise IT services.

The OCIO Leadership is comprised of the following officials (*click on the links provided for their biographies*):

[Sylvia Burns, Chief Information Officer \(CIO\)](#)

[Lawrence Gross, Principal Deputy Chief Information Officer \(PDCIO\)](#)

[Frank Esquivel, Deputy Chief Information Officer \(DCIO\)](#)

[Jerry Johnston, Geospatial Information Officer \(GIO\)](#)

3 Telework

The [Telework Enhancement Act of 2010 \(Act\)](#) was signed into law on December 9, 2010. The passage and signing of this legislation (Public Law 111-292) was a significant milestone in the history of Federal telework. The Act is a key factor in the Federal Government's ability to achieve greater flexibility in managing its workforce through the use of telework.

Specifically, telework: **1)** is a useful strategy to improve Continuity of Operations to help ensure that essential Federal functions continue during emergency situations; **2)** promotes management effectiveness when telework is used to target reductions in management costs and environmental impact and transit costs; and **3)** enhances work-life balance, i.e., telework allows employees to better manage their work and family obligations, retaining a more resilient Federal workforce able to better meet agency goals.

DOI has implemented a telework program which has the participation of the bureaus and offices. OCIO employees who have an 'approved' [Telework Agreement](#) in place are teleworking on a core, situational, or emergency basis.

For additional information, see the links below or contact the OCIO Telework Coordinator, Loray Harmon on (202) 219-0598 or email Loray_E_Harmon@ibc.doi.gov.

The hours you telework need to be recorded correctly in QuickTime in the column labeled “TI”. The most common telework indicator codes are: **F** – When you work at home on a regular and reoccurring basis. **I** – When you work at home on an occasional or in frequent basis. **L**- When you work at home due to increment weather or as part of a COOP plan.

4 Time and Attendance (*Quicktime*)

The OCIO uses Quicktime (QT), an automated time and attendance (T&A) software, for T&A recording and processing. QT is a web-based application that allows employees to record their time as well as traditional timekeeper data entry. Your role in the system will be established as an employee and/or timekeeper and/or supervisor depending on your job responsibilities. New employees will receive an email with their UserID and password. Password resets are done through the Customer Support Center (CSC), see contact information below.

The timekeepers will send an email notification to the supervisors and employees at the beginning of the pay week requesting the employees to complete and verify their time in QT by close of business on Thursday or Friday. The supervisors have until close of business on the following Tuesday to certify their employees time in Quicktime.

See the [OCIO ‘How To’ Guide on Administrative Operations](#) for step-by-step instructions on **‘How To’ Process Time and Attendance in Quicktime** as an employee, timekeeper, and supervisor (certifier). For additional training in the Quicktime system, access the following Quicktime training link: <https://training.nbc.gov/qtwbt/index.htm>

4.1 Quicktime via Web Access

The Quicktime web-based application is accessible through the IBC secured network for DOI employees only. The system is only accessible through the web when you’re on the DOI network or accessing the network from home through the department’s secured virtual private network (VPN). In an instance where you’re not able to access the IBC network, you can access the application remotely which is covered in the [OCIO ‘How To’ Guide on Administrative Operations](#).

4.2 Quicktime via Remote Access

The IT Transformation Team has provided a way for employees to access Quicktime Time and Attendance remotely without connecting to the DOI network. The remote access is provided through the DOI Apps Store. The DOI Apps Store allows employees with a web browser to securely access certain DOI applications on Government Furnished Equipment (GFE) and on Personally Owned Equipment (POE), such as laptops, tablets, and mobile devices. IT Transformation will continue to identify tools to add to the DOI Apps Store to help create a more mobile workforce.

While the DOI App Store strives to support all personally owned equipment (POE), it may not support all mobile devices and web browsers.

5 Training

Training and development is a critical tool for improving individual performance and opportunities, as well as the performance of the OCIO and the Department of the Interior. OCIO employees are required to complete an Individual Development Plan (IDP) to document their developmental needs. The following information will assist employees in working with their supervisors to address those needs by utilizing the department's resources to be successful in their current positions and future endeavors.

The following are mandatory training courses DOI supervisors/managers and employees are required to take through DOI Learn:

Mandatory Training for Employees

- Federal Information Systems Security Awareness (FISSA) + Records Management + Privacy Act Orientation + Rules of Behavior for Network Access (*this is one course*) - Annual
- Discrimination and Whistleblowing in the Workplace (No Fear Act) – Every 2 years
- Role-Based Security Training (RBST) – Annual
- Ethics Training – Annual
- Telework Policy: Telework for Employees – One time requirement
- Charge Card Training

Mandatory Training for Supervisors/Managers

- Federal Information Systems Security Awareness (FISSA) + Records Management + Privacy Act Orientation + Rules of Behavior for Network Access (*this is one course*) - Annual
- Discrimination and Whistleblowing in the Workplace (No Fear Act) – Every 2 years
- Role-Based Security Training (RBST) – Annual
- Equal Employment Opportunity (EEO) Training – 4 hours Annual
- Diversity Training – 4 hours Annual
- Ethics Training – Annual
- Telework Policy: Telework for Managers – One time requirement
- Charge Card Training
- Veteran Employment Training

For additional information about mandatory training, to learn about these training courses or to access DOI Learn see the DOI Learn section of the guide below.

5.1 DOI University (DOIU)

The DOI University ([DOIU](#)) has extensive experience delivering wide variety of competency-based training opportunities for DOI and other federal employees. DOIU offers courses and certificate programs to

target knowledge sets and develop competencies. They also have the capability to deliver training at the client’s site to maximize training budgets and minimize travel costs. Their staff of training professionals supports all facets of the coordination and delivery to ensure a meaningful learning experience. DOIU works with you to develop online training to produce multimedia training events at their studio in Albuquerque, NM. DOIU is located in Albuquerque, NM, Denver, CO and Washington, DC.

Note: In order to schedule a course through DOIU at your (“the client”) site you will need to have a **minimum of 20 – 25** participants. If you’re interested in scheduling training, contact the persons listed below.

DOIU Washington Learning Center Points of Contact			
Name	Title	Email	Phone
Mary Jo Catalano	Manager	Mary_Catalano@ios.doi.gov	(202) 208-3757
Paulette Owens	Associate Manager	Paulette_Owens@ios.doi.gov	(202) 208-3637

5.1.1 Commercial Training (External to DOI)

Commercial training is outside training that is not readily offered by DOIU but offered by training vendors such as Global Knowledge, Learning Tree, Management Concepts, etc. For detailed information on acquiring commercial training using standard form - [SF-182](#), see the [OCIO ‘How To’ Guide on Administrative Operations](#) for step-by-step instructions.

5.2 DOI Learn

DOI Learn is the department-wide training registration system. OCIO employees and contractors should use DOI Learn to register and access training. All mandatory training is accessible through [DOI Learn](#), as well as other courses such as those offered DOI-wide or offered by other bureaus and offices. It can take several weeks for new federal employees’ information to appear in DOI Learn. New employees **should not** use the "Request a New Account" link on the login screen to request an account. New employees will receive an email with login instructions from the system when your account has been created.

Once an employee logs into DOI Learn, he/she will be required to update their profile information. Instructions are available at www.doi.gov/doilearn.

5.2.1 Skillsoft Online Learning Library

SkillSoft Online Learning Library is available at no charge to DOI employees through **DOI Learn**. SkillSoft's library of over 2,000 online courses is available 24/7 and covers a wide range of topics, including:

- Project management
- Supervisory/leadership skills
- Human Resources development
- Budget/financial management
- Acquisition management
- Information technology including Microsoft Office and Adobe applications

SkillSoft offers courses that satisfy a number of mandatory training requirements including Diversity/EEO and Role-Based Security Training (RBST) for IT personnel.

6 Official Travel (GovTrip) => Concur Government Edition (CGE)

GovTrip is a Northrop Grumman E-Gov Travel system that provides an E-Gov Travel Service (ETS). The ETS is a government-wide, web-based, world-class travel management service that was launched in April 2002 to save significantly on costs and improve employee productivity. The ETS master contract will expire on November 11, 2013 at which time it will be replaced by DOI's new ETS system, **Concur Government Edition (CGE)**.

CGE enables employees to book domestic and international flights, reserve rental cars and make hotel and rail reservations – all from their smartphones or desktop browser. Thanks to the integration of travel with expense reporting, all itineraries and credit card charges are automatically imported. With the matching delivered with Smart Expenses™, receipt data is accurate and in-policy. The end result is that the expense report is nearly complete by the time you get back. Managing business travel expenses has never been easier.

For additional information about GovTrip or CGE, contact your designated Executive Staff Assistant.

7 Office Supplies & Equipment

7.1 Supplies

Supplies may only be ordered from vendors under the GSA Advantage Schedule for competitive pricing. The primary vendor for OCIO is Metro Office Products. Utilize the latest vendor catalog to search and select the supplies of your choice. Requests for office supplies are to be submitted via email to the Executive Staff Assistant supporting your division. The Executive Staff Assistant may research other vendors for the lowest price.

Office supplies are ordered as needed, provided there is funding and more than one item is being requested. Employees are encouraged to first make a list and obtain their supervisor's approval before submitting their request. In

the case where only one item is needed for a meeting or a special project it is handled as a 'special request' and ordered as soon as it is received.

7.2 IT Hardware

Any of your hardware needs as far as laptops, desktops, servers, cellphones, tablets etc. must be discussed and approved by your supervisor. For instructions on how to order IT hardware, please see the [OCIO 'How To' Guide on Administrative Operations](#).

8 Transit Benefits Program

The Transit Benefits Program (*Transit Subsidy*) was established by the authority of [Executive Order 13150 Federal Workforce Transportation](#) which was established on April 21, 2000. Under the program, federal employees may receive transit passes in amounts approximately equal to employee commuting costs, not to exceed the maximum level allowed by law. The program has benefited many employees and the environment by subsidizing employee public transportation commuting expenses and by reducing traffic congestion and pollution. The Department of Transportation (DOT) administers the program for DOI. The enrollment form, the rules to participate and frequently asked questions (FAQs) can be found at the [Transit Benefits Program](#) site. In addition to enrolling in the program, every employee is required to complete the [Transit Benefits Integrity Program](#) course before collecting his/her benefits. The department's point of contact for this program is Dante Jeffries (202) 219-0429.

OCIO employees interested in participating in the program are encouraged to visit the New Employee (Onboarding) site to complete and print the following documents and forms that require their supervisor's signature to participate:

- ❖ Public Transit Subsidy Program Application Form
- ❖ SmartBenefits Program Application Form
- ❖ Transit Subsidy Commuting Expense Worksheet

8.1 Washington Metropolitan Area (WMA)

OCIO employees whose duty station is in the Washington Metropolitan Area (WMA) (i.e., Washington, DC / Reston, VA,

Herndon, VA) are required to purchase a **SmartTrip Card**  to receive the transit subsidy benefits. Visit the Metro WMA Transit Authority [SmartTrip](#) site to learn...

8.2 Denver, CO

The **Regional Transportation District's (RTD) West Rail Line** opened on April 29, 2013. It is the first completed rail line of the RTD Fasttracks Project and it includes 12.1 miles of light rail running between the Denver Union Station and the Jefferson County Government Center in Golden.

The light rail has added (11) new stations, (6) Park- n-Rides and (3) new Call-n-Rides to the system. One of the largest stations on the new line is at the Denver Federal Center (DFC) - the new Federal Center Station at 2nd Place; Routh Street, just west of the DFC Gate 5 entrance. Already open to extensive bus service, the light rail will provide added transportation services to our federal customers and the surrounding Lakewood community.

RTD will make significant operational changes to regional and local bus services, including the addition of Call- n-Ride Services, with the opening of the West Rail Line. To learn more about these changes, as well as the rail services, go to www.rtd-denver.com (a non-government website).

Green Mountain Call-n-Rides (Light-rail shuttle services to and from the Denver Federal Center)

For reservations call 303-483-8283

Hours of Operation: Monday-Friday from 5:30 a.m. to 8:00 p.m.

Scheduled DFC Stops: Approx. every 60 minutes from 5:53 a.m. to 6:53 p.m.

For additional information about the light rail shuttle service, go to the following site:

10 Dress Code

The OCIO does not have a formal policy in place directing the employees on what is considered “appropriate” attire for the workplace. However, as professional employees of this organization employees are expected to represent themselves, the OCIO and the department in a professional manner while conducting official business. **The employee’s supervisor is the final authority on what is or is not appropriate attire.**

Typically, employees are dressed in business attire from Monday thru Thursday and on Friday ‘some’ employees dress in business casual attire and jeans. In the instance an employee is scheduled to attend a business meeting on a Friday, he/she should dress in business attire.

11 Resources

This section of the guide briefly touches on various sources that may be of interest to employees to stay abreast of OCIO and DOI initiatives, employee groups, OCIO official correspondence, etc.

11.1 Employee Resource Group (ERG)

The OCIO Employee Resource Group (ERG), pronounced “OCIO Urge”, is an integral part of OCIO’s effort to create a healthy workplace culture. The ERG works to facilitate networking and the exchange of ideas, to provide suggestions for various employee functions, and to suggest ways of enhancing employee satisfaction and work effectiveness.

The 20-member ERG is made up of employees who represent every functional level of OCIO, including managers and supervisors. The ERG operates under a framework which mirrors “The Best Places to Work in the Federal Government.” For more information on this framework, please visit: <http://bestplacetowork.org>.

If you are interested in becoming a member of the “OCIO Urge”, please contact co-chairs, Vonda Bell or Amelie Koran at Vonda_bell@ios.doi.gov or Amelie_E_Koran@ios.doi.gov

11.2 Telework Reference Information – “What You Need To Know To Telework”

11.2.1 Check Your Email

1. Using your DOI workstation, double click on your BisonConnect icon on your desktop or go to <http://mail.doi.gov> using your favorite web-browser.

Note: Make sure you have Internet Explorer 8 or higher or the latest version of Firefox or Google Chrome

2. When prompted, type your username (e.g., jdoe@ios.doi.gov) and password. Your password is the same as your Active Directory password you use every day.

11.2.2 Check Your Voicemail

If your duty station is at the Main Interior Building (MIB), dial **(202) 208-6997** then

- 1) Press #
- 2) Enter your telephone number (exclude 202)
- 3) Enter your security code
- 4) You are now in your voice mailbox

Press “1” to play new message, “2” to send a message, and “3” to review old messages.

11.2.3 Forward Desk Phone To Mobile Phone

If you have a Alcatel ipTouch phone, then

- 1) Press the first white button to the right of the display screen
- 2) Select “immediate fwd (forward)”
- 3) Dial “9-1-area code-7-digit number
- 4) Press End.

To Deactivate the Forward Feature on Your Phone, then

- 1) Press the first white button to the right of the display screen
- 2) Select “Deactivate”
- 3) Press End.

All other locations, please check with your Telecomm Office for instructions

11.2.4 Access Quicktime Remotely

Refer to the [OCIO ‘How To’ Guide on Administrative Operations](#) for step-by-step instructions on **How To Access Quicktime Remotely**.

11.3 Key Links

11.3.1 Information Technology (IT) Transformation

IT Transformation (ITT) is an initiative mandated by Secretarial Order 3309 signed on December 14, 2010 by former Secretary Ken Salazar. S.O. #3309 outlines steps that the Department will take to align IT resources under a single Chief Information Officer (CIO). This new structure will minimize redundancies, streamline IT, and enhance customer service while lowering IT costs to the Department.

The Order also required the CIO to develop an IT Transformation Strategic Plan, which was delivered to the Secretary on July 1, 2011. Development of the plan was a collaborative effort between the Department and DOI bureaus and offices. The plan outlines high priority IT service areas for immediate modernization and aligns with OMB’s [25 Point Implementation Plan to Reform Federal Information Technology Management](#). For additional information about IT Transformation, read the strategic plan, and stay abreast of all ITT activities visit the website <http://www.doi.gov/ocio/it-transformation.cfm>.

11.3.2 BisonConnect

BisonConnect is DOI’s unified messaging email system provided by Google. For information on how to navigate BisonConnect and utilize the numerous features visit the website <https://sites.google.com/a/doi.gov/bisonconnect-resource-site/home> . For advanced features and commands consult the Tips & Tricks at <https://sites.google.com/a/doi.gov/bisonconnect-resource-site/tips-and-tricks>.

12 Stewart Lee Udall Building or Main Interior Building (MIB) – Washington, DC

The information provided in this section of the guide is location-specific to the Department of the Interior (DOI) Stewart Lee Udall Building which is also referred to as the Main Interior Building (MIB) located at **1849 C Street, NW, Washington, DC 20240**.

12.1 Parking

The department provides temporary parking passes to DOI employees upon request through the Interior Business Center (IBC) Parking Office. Temporary passes are issued for parking spaces at the South Interior Building (SIB) lot and the Main Interior Building (MIB) and Federal Reserve Building (FRB) parking garages. Temporary passes for parking spaces in the MIB garage are assigned to DOI Key Officials only.

When requesting a temporary parking pass, provide the following information:

- ❖ Requestor's first and last name
- ❖ Requested date to park
- ❖ Make and model of the vehicle
- ❖ License plate (State & Tag #)

The OCIO Parking Coordinators are listed in Table 3 below. The Parking Coordinator will process only **four temporary passes per employee per month**. If an employee requests a temporary pass and does not use the pass, that request will count against the allotted four passes within the month the request is made. Parking requests are to be submitted to the OCIO Parking Coordinator via electronic mail (Email) within 24 hours of the day the pass is required. There is a 24 hour turn-around time from the receipt of the request for the Parking Office to issue a pass. Upon completion of the request, the OCIO Parking Coordinator will forward the temporary pass to the employee along with parking instructions and directions for the assigned parking location.

DOI employees *only* have access to **free** and **open** parking at the SIB parking lot after 3:30p until 10:00p during the weekdays (Mon. thru Fri.) and all day on the weekends (Sat. and Sun.) until 10:00p. A temporary pass is not required to park during this time but employees must display their badge to the Security Guard to park on the lot.

The following are the weekday closures for the secured parking locations at the Interior Complex:

A/B ramp Main Interior Building	Closes at 8:00 pm
C/G ramp Main Interior Building	Closes at 8:00 pm
D Ramp – Main Interior Building	Closes at 6:30 pm
South Interior Building Constitution Ave entrance	Open from 8a – 4p
South Interior Building	Closes at 10pm daily

12.2 Building Security

12.2.1 Security and Building Access at the MIB

There are two entrances to the MIB. The main entrance on C Street is open 24 hours a day, 7 days a week; the E street entrance is open from 6:00 a.m. to 7:30 p.m. on normal government work days. The C and E Street entrances are wheelchair accessible. Employees entering the building must show their badge and place it against the reader. Core business hours are from 6:00 a.m. to 6:00 p.m. on normal government workdays; however, employees assigned to the MIB have 24 hour access. When entering or exiting the building after hours or on weekends, employees must enter the MIB at the C Street entrance and sign in and out, in addition to the normal access procedures described above.

A memorandum identifying contractors and visitors requiring access to the building after hours (after 6:00p) should be submitted via email, fax, or drop it off in room 1320 to the Security Interior Customer Service Office (ICSO) at least 24 hours prior to their arrival, to give the office time to process the information and disseminate it to the appropriate post.

If larger than normal equipment is required to be brought into or out of the loading dock area, the Security ICSO should be notified at least 24 hours in advance for coordination purposes. This can be done by sending an email indicating the estimated size, weight, and intended date/time of pick-up/drop-off, POC and use to security_services_inbox@ios.doi.gov. All government property (equipment) entering and exiting the building(s), including laptops, is to be accompanied by a property pass issued by the Property Office in OFAS.

Please see either Essie Wilson or Phil Smith in room 7061 for a temporary property pass.

12.2.2 Room Keys and ID Badges for the MIB

OCIO employees are to see one of the following OCIO, Business Services Office staff persons in room 7061 for a key:

Loray Harmon
Patrice Hernandez
Phil Smith
Tiffany Smith
Marian Thomas
Essie Wilson

New OCIO contract employees are to see Marian Thomas in room 7061 to borrow and return a key the same day.

The management and distribution of room keys and HSPD-12 compliant identification badges are the responsibility of the Office of Law Enforcement and Security (OLES). This office is located in the MIB in room 1320 and the hours of operation are 7:00 a.m. - 4:00 p.m. on normal government workdays. You may contact the office at (202) 208-5111.

For more information on security credentials please visit: www.doi.gov/hspd12/directives.cfm

To download detailed instructions and credential application forms please visit: www.doi.gov/hspd12/documents.cfm

12.2.3 Medical Emergency Procedures for the MIB

In the event an individual becomes seriously ill or injured and requires emergency medical assistance, the following steps should be followed:

1. Call **911**
2. Call the DOI Security Dispatch Center at **202-208-5803**

The second step is vitally important as it ensures DOI Security can meet the arriving emergency medical service personnel and escort them to the incident location. **The Security Dispatch Center will notify the Health Unit nurse so it is not necessary for you to call the Health Unit directly!**

The dial plan on the telephones in the MIB and SIB are programmed so the caller can dial **911** or **9-911** and reach emergency services. DOI Security recommends employees program the DOI Security Dispatch Center telephone number 208-5803 into their desk phone and mobile device for a quick reference.

If the illness or injury is of a less urgent nature and the employee is able to walk to the Health Unit, treatment can be provided during normal business hours – from 8:00 a.m. to 4:00 p.m. during federal workdays. The Health Unit is located in the North Penthouse of the MIB (elevator and stairwell are located near the 5th wing of the 7th floor).

12.2.4 Emergency Evacuation of the MIB

In the event of an emergency in the MIB, you will be notified by alarm bells, voice annunciated messages, strobe lights, and vibrating pagers (for hearing impaired individuals) to immediately evacuate the building.

Every employee should know at least two emergency evacuation routes from their office area and be aware of the evacuation routes for other areas in the MIB. Evacuation maps can be found in the [Occupant Emergency Employee Guide](#) and are also posted in the display cases, on each floor, near each bank of elevators. The Evacuation Support Team includes the many volunteers who serve as Wing Wardens (identified by orange hats), Sector Wardens (identified by yellow hats), and Buddies for people with disabilities. During emergencies, it is important that you follow the directions of these team members. They have been trained for emergency incidents and will provide significant benefit during an emergency. For additional information, visit the [Employee Emergency Information](#) site.

The OCIO Wing Wardens and their designated areas at the MIB are as follows:

OCIO	Wing Warden 7400 West	Vonda Bell
OCIO	Wing Warden 7400 West	Julie Small
OCIO	Wing Warden 7400 West	Greg Ogbaugh

12.2.4.1 Emergency Evacuation Rally Points

Location (1): Main Interior Building – Wings 1, 2 & 3

Occupants in Wings 1, 2, & 3 of the Main Interior Building should exit the building through the C Street Lobby and cross C Street, Virginia Ave, and 19th Street and proceed to the front promenade and lawn of the South Interior Building. Please remember that cross traffic may not be stopped.

Location (2): Main Interior Building – Wings 4, 5 & 6 (OCIO's Rally Point!)

Occupants in Wings 4, 5, & 6 of the Main Interior Building should exit the building through the E Street Lobby or the emergency exit stairwells at the end of the wings and cross 19th Street, proceed west in front of the Office of Personnel Management (OPM), and cross 20th Street to **Jose de San Martin Park**. Please remember that cross traffic may not be stopped.

Location (3): South Interior Building

Occupants of the South Interior Building should exit the building through the basement level emergency exit stairways and proceed across C Street to the park at the **Federal Reserve, Martin Building**.

12.2.4.2 Emergency Equipment

All employees should be familiar with the location of emergency equipment within the building.

Manual Alarm Pull Stations: Pull stations are located in each wing adjacent to each stairwell door and will activate a general alarm. Manual pull stations should only be used when smoke or fire is present. If you detect an unusual odor but do not detect a fire or other emergency, contact the Building Manager’s Office at (202) 208-2222.

Automated External Defibrillators (AED): AEDs are located in the main corridor, on each floor of the MIB and SIB. The devices are designed for ease of use by non-medical personnel. AED and cardiopulmonary resuscitation (CPR) training is available through the Health Unit.

Emergency Phone: **Red** emergency phones have been installed in the cafeteria entrance and freight elevator lobbies in the MIB. In the event of an emergency, pick up the emergency phone receiver and you will be connected to the Security Dispatch Office. Notify the Dispatcher of your location and the assistance you require and await further instructions.

Evacuation Chairs: Evacuation chairs are located in the North and South freight elevator lobbies along the main corridor on each floor of the MIB and near the Health Unit in the MIB North Penthouse. Evacuation chairs should only be used by trained personnel and used in case of an emergency. Prior to using an evacuation chair, use the red emergency phone to contact the Security Dispatch Office for assistance.

12.4.8 Childcare Center

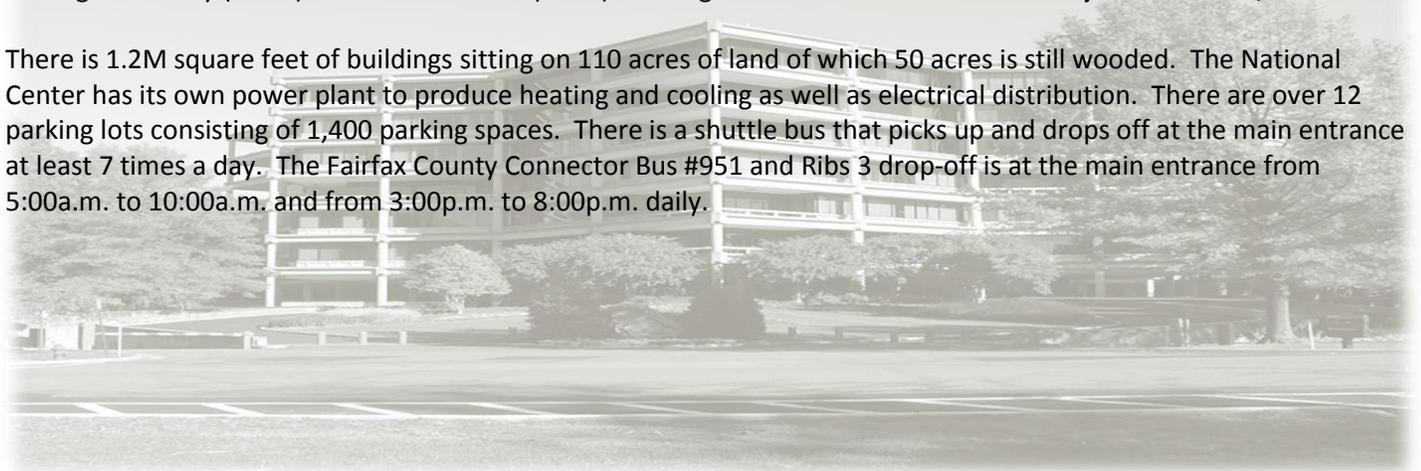

Thanks to a joint partnership between DOI, GSA and the child care provider (Bright Horizons), there is now a child development center here at the MIB. The new center is located in the 1200 East wing of the building, and can accommodate 76 children from infants to pre-k in the 9000 sq ft facility. In addition to classrooms designated for each age group, there is also a multi age classroom where children can interact together.

The center is open on normal government workdays from 7:00 a.m. to 6:00 p.m. For additional information, including enrollment and waiting list information, you may contact the Child Care Center at 202.501.1945 or visit the website <http://child-care-preschool.brighthorizons.com/dc/washington/fingerprints>.

13 U.S. Geological Survey (USGS) National Center or J.W. Powell Building – Reston, VA

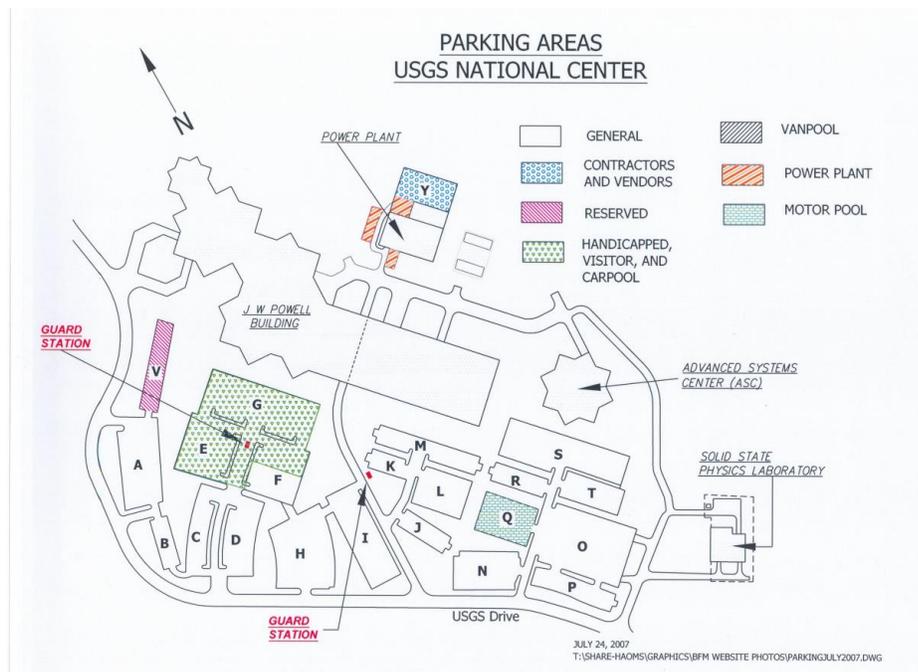

The information provided in this section of the guide is location-specific to the Department of the Interior (DOI) U.S. Geological Survey (USGS) or the J.W. Powell (Main) Building located at **12201 Sunrise Valley Drive Reston, VA 20192**.

There is 1.2M square feet of buildings sitting on 110 acres of land of which 50 acres is still wooded. The National Center has its own power plant to produce heating and cooling as well as electrical distribution. There are over 12 parking lots consisting of 1,400 parking spaces. There is a shuttle bus that picks up and drops off at the main entrance at least 7 times a day. The Fairfax County Connector Bus #951 and Ribs 3 drop-off is at the main entrance from 5:00a.m. to 10:00a.m. and from 3:00p.m. to 8:00p.m. daily.

13.1 Parking

13.1.1 Parking Areas

13.1.2 Parking Permits

- **Who must have a parking permit?**

Anyone wishing to park on USGS property at the J.W. Building must have a parking permit displayed in the window of their vehicle.

- **How to obtain a parking permit.**

PARKING PERMIT APPLICATION

Parking permit applications will need to be filled out manually at the Facilities Help Desk. The Help Desk is located in the J.W. Powell building in room 1C100. They can be reached via phone at (703) 648-7208. **One-day visitor parking permits are issued at the Guard's Station located between lots E and F.**

- **What kind of parking permit do I need?**

Most employees will need only a general parking decal which permits them to park in any of the areas designated as "General" parking. Employees with a current and valid parking placard for V, G, Y, or X Lots do not require an additional General parking permit.

- **Special parking lot access.**

A special parking placard is needed to gain access into parking areas at the National Center other than General parking. For access to parking areas G, Y and X, please contact Matilde Moss in Facilities Management at (703) 648-7524. For information regarding access to the V parking area, contact Janet Arneson in the Director's Office at (703) 648-7411.

Please Note: With a valid parking placard from one of the special parking lots, you may park in General parking as needed; however, you may not park in any of the special lots other than the one to which you have been given authorization.

13.1.3 Handicapped Parking

Designated handicapped parking spaces are located in Lot G. When presented with appropriate documentation, Facilities Management will issue a parking decal for Lot G.

- **Short-Term Handicapped Parking - Required Documentation**
For access to Lot G for one-month or less, due to a short-term disability, please provide documentation from a physician specifying the number of days access is needed. When parked, display the Lot G decal in the front window of the vehicle.
- **Long-Term Handicapped Parking, Required Documentation**
For long-term temporary or permanent access to Lot G, please provide documentation from a physician specifying the length of time access is needed and documentation and/or a placard from a Department of Motor Vehicles (DMV). When parked, display the Lot G decal and the DMV placard in the vehicle's front window.
- **Temporary and permanent handicapped placards are issued by the Department of Motor Vehicles (DMV) in your state of licensure.**

13.1.4 Parking Decals

- **Where to display parking decals.**
General parking decals should be displayed in the upper left corner of the vehicle's rear window. Special access decals should be visible in the vehicle's front window, usually hung on the rear view mirror.
- **Lost or stolen parking decals.**
If your parking decal is lost or stolen, immediately contact the Branch of Facilities Management at (703) 648-7524.

13.1.5 Perimeter and Parking Lot Barricades

The National Center is open to the public and receives numerous visitors every day. The purpose of the perimeter barricades such as chains, jersey barriers, or parked security vehicles is to restrict traffic to certain controlled areas in order to determine that a visitor has a bona fide purpose for his/her presence on the campus. The Security Management Office has mobile units constantly patrolling all parking lots.

13.1.6 Commuting Alternatives

To avoid parking congestion and restrictions at the J.W. Building under the present heightened security alert, employees may wish to take advantage of local Fairfax Connector Park and Ride facilities.

13.2 Building Security

13.2.1 National Center Building Admission

This section contains the basic requirements for admission to the U.S. Geological Survey National Center in Reston, Virginia.

13.2.1.1 Individuals with Valid Government Identification

For an individual possessing a valid DOI Access badge, entrance may be gained into the building by presenting his/her valid DOI Access badge to the guard at the entrance when entering the building **without** signing in during the following hours:

- Front Entrance: 5:30 a.m. until 6:30 p.m., Monday thru Friday
- Visitor's Entrance: 5:30 a.m. until 6:30 p.m., Monday thru Friday
- Loading Dock A Entrance: 7:00 a.m. until 4:00 p.m., Monday thru Friday

Registration upon entering is required by individuals possessing a valid DOI Access badge **after** 6:30 p.m. until 5:30 a.m., Monday thru Friday, and all day on holidays and weekends. Sign out is required **after** 8:00 p.m. at the front entrance. The Visitor's Entrance closes at 7:30 p.m. and the Loading Dock A Entrance closes at 4:00 p.m.

13.2.1.2 Public

For admittance during public business hours from 5:30 a.m. until 6:30 p.m., Monday thru Friday, individuals who do not possess a valid DOI Access badge must:

- Present a valid photo identification card
- Register upon entry into the building
- Be scanned by a magnetometer
- Have all containers X-rayed

The visitor will then be given a "visitor badge" to wear at all times while in the J.W. Powell Building.

Building access can be gained at the Visitor's Entrance during the public business hours. Building access can be gained at the Loading Dock A Entrance between the hours of 7:00 a.m. until 4:00 p.m., Monday thru Friday. **Visitors cannot gain entrance at the Front Entrance during public business hours.** For admittance during public non-business hours (6:30 p.m. until 5:30 a.m., Monday thru Friday, and all day on holidays and weekends), in addition to public business hour procedures, all individuals without a valid DOI Access badge must be registered upon entry by a **sponsor who possesses a valid DOI Access badge**, and sign out upon exiting the building. The same processing procedures mentioned above will be required. During public non-business hours, access is limited to the Front Entrance.

13.2.2 Room Keys and Identification (ID) Badges for Reston

All key requests must be submitted and received by a previously approved USGS designated employee authorized to request and assign keys. Each office and or discipline may require additional control or accountability of issued keys. All key requests must be submitted via email to BuildingServicesNC@usgs.gov and include the room and core number for all rooms, closets or office door keys.

- ***Who must wear an ID badge?***

A wear-badge policy became effective at the National Center on December 1, 1997. All employees, contractors, and visitors are required to wear and visibly display either a DOI Access badge, Temporary Access badge or a USGS visitor badge. Refer to the Branch of Security's procedures for [National Center Building Admission](#) for more information.

- ***Card reader access for controlled spaces at the National Center***

To obtain privileges to enter a controlled space that has a card reader access, please submit your name, room

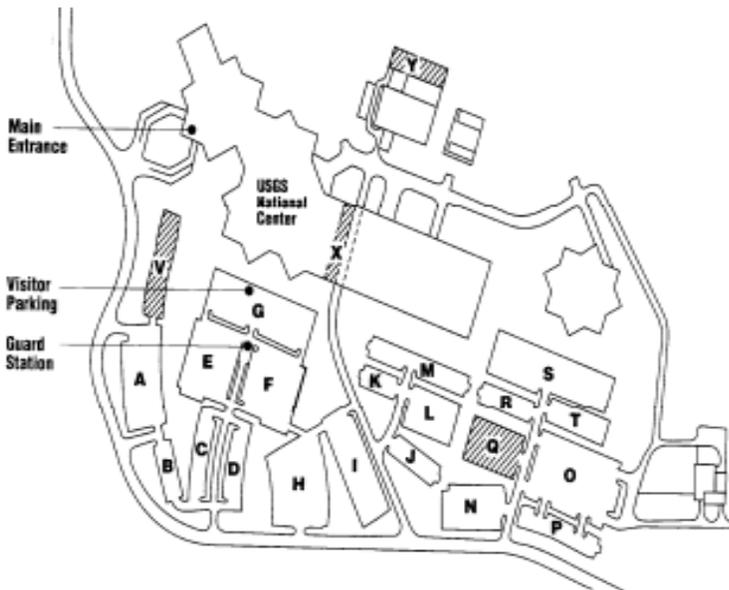

number(s) you are trying to get access too along with your phone number to buildingservicesNC@usgs.gov. Instructions on who to contact to get permission to gain access to the specific room(s) and how to initialize your badge will be sent via email in reply to you.

13.2.3 Emergency Evacuation of the J.W. Powell Building

When an evacuation order is given, occupants are instructed to exit the building by the most direct route. Employees shall report to their designated evacuation or assembly area in the parking lot and notify their supervisor of their presence. For questions or additional information contact Frank Cashwell at fcashwell@usgs.gov or on 703-648-7554.

ALL OCIO employees are to report to this rally point, Lot I!

13.2.4 Medical Emergency Procedures

All National Center Campus emergencies are to be reported by dialing **7222 or 4103 (TTY) DO NOT DIAL 911!**

These numbers are used **ONLY** for reporting emergency situations, e.g., fire, explosion, release of hazardous materials, medical emergency, bomb threats, etc. From a safe location, callers should state – their name, location, nature of the emergency or injuries.

WHY DIAL 7222? 7222 simultaneously rings the Guard’s Desk, Health Unit, National Center Safety and Health Team, Environmental Management Branch, Security and Facilities which are the six entities that have the greatest capacity for responding to all types of emergencies. The 7222 line is answered by a Guard who will, if necessary, dial 911 and guide the responders to the precise location where help is needed.

Should an occupant dial 911 to report an emergency, the responders will be summoned to the National Center, but critical time will be lost since the responders will have no way to locate the emergency. For additional information about these emergency procedures contact Frank Cashwell at fcashwell@usgs.gov or on 703-648-7554.

13.3 Points of Contact

13.3.1 Help Desk Support

For Help Desk Support please call (703) 648-4357 to speak to a representative.

13.3.2 Logistical Support

13.4.3 Interior Federal Credit Union (DOIFCU)

The Department of Interior Federal Credit Union (DOIFCU) is a financial cooperative, owned and operated by its members. Members deposit money and that money is distributed to other members in the form of loans. After operating expenses and reserve requirements are met, income is returned to all members in the form of higher share dividends, lower loan rates and other low-cost financial services.

DOIFCU is located on the basement level in room BA208. It is open Monday thru Friday from 8:30am to 3:00pm. For additional information about becoming a member, loan products, benefits, accounts, and the numerous services they provide visit DOIFCU in-person, visit the website <https://www.doifcuhb.org/home/home> or call (703) 648-7544.

Note: There is one ATM located in the main lobby on the first floor of the building.

13.4.4 Fitness Center

The Fitness Center is located on the basement level in room BB-16 and it is available to USGS and OCIO federal employees. It is open 24 hours and operated by the 'honor system' for filling out an application. It is equipped with weights, exercise equipment, TVs and mirrored areas with workout mats and balls. For additional information or to get an application contact Hope Johnson at hmjohnson@usgs.gov or on (703) 648-4457.

13.4.5 J.W. Powell Building Auditorium

The National Center has an auditorium located on the first floor in room 1C111 near the Visitor's Entrance and Visitor's Center. It is a very large space equipped with a large stage, permanent theater-style seating that can accommodate up to 161 people on three sides with pit seating for approximately 90 seats. The side areas can be opened to seat an additional 35 people on each side with an accessibility ramp.

Seating Capacity: 321

Equipment: Fully integrated multimedia presentation system

Special Instructions: To reserve the Auditorium for an event, call Matilde Moss at 703-648-7524. 14 Denver Federal Center (DFC) – Denver, CO

The information provided in this section of the guide is location-specific to the Department of the Interior (DOI) Denver Federal Center (DFC) located at **Building 53 Entrance E-9 Denver, CO 80225**.

The Denver Federal Center (DFC) is open to the public from 6:00a.m. to 6:00p.m., Monday to Friday, except federal holidays. After-hours admittance must be authorized prior to the date required. For additional information, please call the DFC Service Center on (303) 236-8000.

14.1 Parking

All requests for parking permits must be submitted via email to Delayna Lujan at Delayn_Lujan@ibc.doi.gov and include the employee's full name and the make and model of his/her vehicle. Delayna will issue the parking permit to the employee once she records the permit number.

14.2 Building Security

14.2.1 Denver Federal Center Building Admission

New employees will need to make an appointment with David Pearson (303) 236-5101 or Delayna Lujan (303) 236-5171 before reporting to the DFC. The employee will be given access to OCIO controlled doors as well as Building 53 GSA doors once the employee is approved by the Security Office after receiving notification from Delayna or David. Upon approval, the employee will need to visit the GSA Access Control System office located at Building 41 in room 110 between 7:30a.m. and 3:30p.m. MT to be given access to the GSA controlled doors.

If an employee needs to update or reset their Personal Identification Number (PIN) for their Personal Identity Verification (PIV) card, contact Delayna Lujan or David Pearson.

Travelling employees and visitors will also need to contact David Pearson at David_Pearson@ios.doi.gov or Delayna Lujan at Delayn_Lujan@ibc.doi.gov to obtain a temporary code to access OCIO doors only.

14.2.2 Room Keys and Identification (ID) Badges for DFC

New employees must first obtain their ID badge through their HR point of contact before contacting Delayna Lujan or David Pearson to setup their workstation.

14.2.3 Emergency Evacuation of the DFC

When the fire alarm sounds during normal duty hours, immediate evacuation must take place. Building occupants should evacuate through the exit nearest to them and proceed immediately to their designated outside meeting area

which is the  in the parking area. Evacuation routes for each area are posted throughout the building. For additional information see the Designated Emergency Coordinator, Delayna Lujan, located in Building 53, Entrance E9, in room C107 for the Occupant Emergency Plan (OEP) for Building 53.

14.2.4 Medical Emergency Procedures

All Denver Federal Center Campus emergencies are to be reported by dialing (303) 236-2911!

The USGS has developed and implemented an AED program as part of the Public Access Defibrillation (PAD) program. AEDs are devices that shock the heart back into normal rhythm, used along with cardiopulmonary resuscitation (CPR) to save lives during cardiac emergencies. An AED should not be used on children younger than 8 years of age (per the American Heart Association). For additional information see the Occupant Emergency Plan (OEP) for Building 53.

Note: Unless you have gone through the training sponsored by the USGS Safety Officer, whether you have been certified in AED use elsewhere or not, you **ARE NOT** authorized to operate the AED units located throughout the building. This is primarily due to liability issues and safety issues.

15 Corporate Center and Academy Park Commons - Lakewood, CO

The information provided in this section of the guide is location-specific to the Department of the Interior (DOI) **Corporate Center** located at **7201, 7301, and 7401 W. Mansfield Ave Lakewood, CO 80235-2230** and **Academy Park Commons** located at **7110 W. Jefferson Ave. Lakewood, CO 80235**. Most OCIO employees at this location are located primarily in the 7301 and 7110 buildings.

15.1 Parking

Employees can obtain a parking permit from the Facilities Office located at Building 7301 in room 410. Temporary parking permits can be obtained from the guard in Building 7301. If you have questions or require additional information you may contact the Facilities Office on (303) 969-7225.

15.2 Building Security

15.2.1 Security and Building Access at the Lakewood Properties

Buildings 7201 and 7401 are secured 24/7. To gain access to these buildings employees will need a valid PIV II badge that has been entered into the access control system by Facilities.

Building 7301 and 7110 are open from 6 am to 6 pm Monday through Friday. To gain access to these buildings after hours, employees will also need a valid PIV II badge that has been entered into the access control system.

All visitors to 7201/7301/7401 must check in with the guard who is located in the lobby of building 7301. Visitors for building 7110 must arrange ahead of time with the person they wish to visit.

Guards: 7201/7301/7401 campus has two guards on-site 24/7 year round. There is a roving guard that patrols the property on an hourly basis. The second guard is stationed in building 7301 24 hours a day.

15.2.2 Room Keys and Identification (ID) Badges

Employees requiring “hard” keys must have supervisory approval before requesting a key(s) from the Facilities Office located in Building 7301 in room 410.

Employees must complete a background investigation before receiving their ID badge (PIV II card) which is distributed by IBC personnel security located in building 7301 in room 430.

15.2.3 Emergency Evacuation of the Lakewood Properties

When the alarm sounds, all personnel will evacuate the building, unless otherwise instructed. Evacuation must be done in a brisk and orderly manner. If the situation and time permits, close all doors as the interior offices are vacated (but avoid locking any doors). Proceed to the designated assembly area to check in. Stand ready for instructions as to re-entry or other action. Do not re-enter the building until the “all-clear” is given.

Unless other specific instructions are issued with the evacuation order (over PA system), building occupants are to assemble with their workgroup and Supervisor in their assigned area.

Building 7110

Occupants exiting 7110 please head towards the Northeast corner of the East parking lot to your rally point, see map in section 15.2.3.2.

Building 7201

Occupants exiting 7201 please head towards the Southeast corner of the South Parking lot to your rally point, see map in section 15.2.3.1.

Building 7301

Occupants exiting 7301 please head towards the Northwest corner of the North parking lot to your rally point, see map in section 15.2.3.1.

Building 7401

Occupants exiting 7401 please head toward the Southwest corner of the South parking lot to your rally point, see map in section 15.2.3.1.

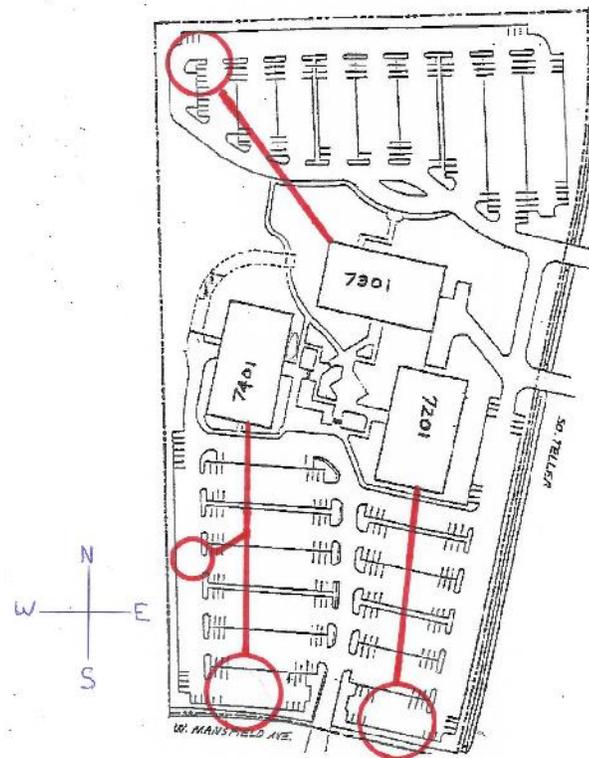

Once you are at your rally points, shown in the diagrams below, there are signs for the different directorates.

When visitors are with you, be sure to include them in the evacuation process and direct them accordingly.

All evacuated personnel are to remain in the assembly area until further instructions are provided by Facilities, West Metro Fire Rescue, and/or Supervisor. When moving to the designated assembly area, employees are not to impede the progress of emergency personnel or equipment entering the area in front of the building. Approaches to the building must remain free of obstructions during evacuation. Stay clear of all emergency vehicles.

For additional information about building evacuation and emergency response see the Occupant Emergency Plan (OEP) Interior Business Center Denver.
