Subject: Complaint about Information Quality, Pursuant to Directors Order #11B

Dear Mr. Bennett:

This letter acknowledges receipt of your request, dated March 30, 2011, for correction pursuant to the Information Quality Act of the memorandum, dated March 22, 2011, subject "Public Report on Allegations of Scientific Misconduct at Point Reyes National Seashore, California" that is posted on the website of the National Park Service (NPS).

Please be advised that although the memorandum is posted on the NPS website, it was prepared by the Office of the Solicitor and submitted to the Office of the Secretary. Therefore, we will be following the Department of the Interior (DOI) Information Quality Guidelines published on <http://www.doi.gov/ocio/guidelines/515Guides.pdf> to evaluate your concerns and determine our response.

If you have any questions regarding the DOI Information Quality Guidelines, please contact me at 202-208-3387 or Vany_Kaiser@ios.doi.gov.

Sincerely,

Vany Kaiser
DOI Information Quality Coordinator
