

REO Roles and Responsibility Flowchart

Inform OEPC HQ on any potential NCH activation in the region.

Identify and contact organizations in the region who could serve as NCH partners in time of activations.

Pre-Disaster (Planning)

Post Disaster (Response)

Initially serve as the NCH coordinator at the JFO until a volunteer can be dispatched to the affected area.

Aid in drafting MAs, Taskings and SOWs, and provide needed Office/Bureau support in their region.

Help with filing of financial compensation to FEMA and drafting of AARs
