

Registered Willing Sellers at Program-Eligible Locations (as of 1/4/16)

The following table shows the total number of landowners who own fractional interests and the percentage of those landowners who are registered as Willing Sellers. This table includes locations that have allotted lands with fractionated ownership as identified in the 2015 Status Report for the Land Buy-Back Program for Tribal Nations ([see Appendix B](#)). “Willing Sellers” include individuals who have called the Trust Beneficiary Call Center at (888) 678-6836 to identify themselves as interested in participating in the Buy-Back Program. Registration as a Willing Seller in no way commits a landowner to sell his/her land, nor does it guarantee an offer will be extended; it merely identifies the landowner’s desire to receive an offer and provides an opportunity for advance outreach and information to be shared with the landowner at the earliest possible time.

The *percentage of landowners who are registered as Willing Sellers* (column C below) equals the number of Willing Sellers for a particular land area code divided by the total number of *landowners with fractional interests* (column B below) for that land area code. The Willing Seller information in the list below includes landowners that own land as of 1/4/16, including those who already sold some, but not all, of their fractional interests. Landowners who have sold all of their land are not included.

The locations are listed in order from highest to lowest percentage of landowners who are registered as Willing Sellers. Locations marked with an asterisk (*) are included in the 42 locations already scheduled for Program implementation.
