

## Additional Recovery Centers Opening

September 7, 2017

Two State of Texas/FEMA Disaster Recovery Centers will open Thursday, Sept. 7, 2017: in Goliad County in the city of Goliad, and in Fort Bend County in Missouri City.

Disaster recovery centers offer in-person support to individuals and businesses in 39 counties included in the Texas federal disaster declaration for Hurricane Harvey and the subsequent floods.

Recovery specialists from the Federal Emergency Management Agency (FEMA) and the U.S. Small Business Administration (SBA), the State and other agencies will be at the centers to talk about assistance and to help anyone who needs guidance in filing an application. The new centers are at the following locations:

Goliad Memorial Auditorium,  
925 S. State Hwy 183  
Goliad TX 77963  
Hours: Daily from 7 a.m. to 7 p.m.

Fort Bend County Sienna Annex  
5855 Sienna Springs Way  
Missouri City TX 77459  
Hours: Daily from 7 a.m. to 7 p.m.

The U.S. Small Business Administration's (SBA) disaster assistance employees are committed to helping businesses and residents rebuild as quickly as possible. SBA representatives are available to answer questions about SBA's disaster loan program and help business owners and residents apply to SBA.

Disaster Recovery Centers are accessible to people with disabilities. Centers have assistive technology equipment allowing disaster survivors to use amplified telephones, phones that display text, amplified listening devices for people with hearing loss, and magnifiers for people with vision loss. Video Remote Interpreting is available and in-person sign language is available by request. The centers also have accessible parking, ramps and restrooms.
