Thanks, and to clarify - they want someone they can talk to about postponing the shutdown, so it should be who at EPA is in overall charge of the system.

Hi Randy,

I'm researching this. I've also left a voice mail for Mark Lawyer and Megan Apgar in Exec Sec.

The senior politicals are very concerned that in today's climate DOI will be accused of causing the shutdown to limit comments on Bears Ears. Do either of you know who - person preferably but office if necessary - manages the system at EPA, with any contact information?

Need first thing in the morning. Thanks
