To enter the meeting, he may be asked for the following information:

- Meeting ID: (b) (5)
- Passcode: (b) (5)

If he has any issues accessing the meeting from his computer, there is also a backup option that allows him to call into the meeting from his phone. We prefer that this be used as a worst case scenario, as it will not allow our members to see nor easily identify the Secretary, and it will limit his ability to know who is attending the meeting. If necessary, you can call one of these phone numbers (301-715-8592, 253-215-8782, or 312-626-6799), and enter the Meeting ID and Password. Again, we ask that this option is only used as a last resort.
