

September 4, 2017

- Opportunity to pose questions to clarify assistance programs, if they are not clear or you have specific questions concerning benefits available to you. Please share these questions with your agency leader who will collect them and pass to the Federal Executive Board.

Critical Infrastructure:

- Airports:
  - Jack Brooks Regional (BPT) closed except for emergency and humanitarian aid; will remain closed until September 5;
  - Texas Gulf Coast Regional (LBX) - Closed except for relief aircraft; restricted flights until September 8 due to flooding.
  - Houston Executive (TME) - Restricted operations; two hour prior permission required due to military operations
- Ports: Upper Houston Shipping Channel above Mitchells Point/Baytown Highlines closed to ship traffic but open to tug and barge tow traffic Port of Victoria open with restrictions P
- Power Outages: 67,500 customer outages in TX
- Communications: 103,443 landline consumers out of service
- Oil and Natural Gas: Seven of ten previously closed refineries are in process of restarting, four are operating at reduced rates 30 offshore oil and gas platforms remain evacuated; personnel have returned to all 5 of the non-dynamically positioned rigs previously evacuated and all dynamic position rigs are on station
- Water: Limited or no water capacity in 18 of 35 declared counties
  - 50 of 4,512 drinking water systems are inoperable; approximately 181 TX water supply systems are under boil water requirements
  - 35 of 2,469 waste water systems are shut down
- Landlords are encouraged to join Harris County's Free Listing Service to Help Harvey Survivors. The Harris County Housing and Community Resource Center is a free marketing service to all Landlords. They are invited to sign up property today and update it regularly with specific information about rental units available. This is particularly helpful at this time for those displaced by Harvey wishing to do a customized search. If you have any special offers for Harvey survivors, you may indicate it. For those SEEKING rental property, please go to: <http://www.housingandcommunityresources.net/>
- Harris County wants to remind you that whether your yard got a little wet or you had flood water in your home, be SMART about cleaning up the mess. Wear gloves and dispose of items that cannot be thoroughly cleaned. Work with someone else when using a ladder or other equipment. Get rid of standing water where possible. Recover SAFELY and stay HEALTHY.
- METRO opens most HOV/HOT Lanes Tuesday. All Park and Ride facilities will also be operational Tuesday.

- Texas Department of Insurance has their Help Line open 8-5 this weekend and Labor Day to help with your insurance questions. [1-800-252-3439](tel:1-800-252-3439)
- The Texas Department of Agriculture has a website and phone line set up with information regarding hay and feed for livestock. The phone line and website is for producers in need of feed/hay, as well as for people wanting to donate feed/hay. Feel free to pass it on to anyone inquiring information about livestock feed. <https://www.texasagriculture.gov/Home/ProductionAgriculture/HayHotline>
- Hay Hotline: [\(512\) 463-9360](tel:512-463-9360) Email: [HayHotline@TexasAgriculture.gov](mailto:HayHotline@TexasAgriculture.gov) Reports of missing livestock, deceased livestock are coming into the various State Ag related agencies. Producers can call [800-242-7820](tel:800-242-7820) to report lost or found livestock. Plans are underway by these agencies to establish an Animal Response ICP in the field but will wait a few days to determine the best location. Field assessments will begin in a day or two once it is safe.
- Under State law, Houston Mayor has issued a mandatory evacuation order for about 4,700 homes already flooded by water in west Houston. The limited mandatory evacuation has been issued ONLY for flooded homes in the following areas: From State Highway 6 east to South Gessner, from I\_10/Katy Freeway south to Briar Forest. If you live in the impacted area and have water in your home, you are being asked to evacuate as soon as possible. CenterPoint Energy will begin disconnecting power to the flooded homes beginning at 7 a.m., Sunday (today).
- President Donald J. Trump today made additional disaster assistance available to the state of Texas by authorizing an increase in federal funding for certain eligible costs. The President's action today authorizes 90 percent Federal cost share for debris removal, including direct Federal assistance; and a 100 percent Federal cost share for emergency protective measures, including direct Federal assistance, for 30 days from the start of the incident period, and then a 90 percent Federal cost share thereafter. Under the President's major disaster declaration issued for the state of Texas on August 25, 2017, federal funding was made available for Public Assistance, Hazard Mitigation, and Other Needs Assistance Programs at 75 percent federal funding of total eligible costs.
- The City of Houston Solid Waste Management Department is asking residents to remove all parked vehicles from the streets when debris crews are working in your neighborhood. Debris should be placed close to the side of the road away from mailboxes, trees, meters, fire hydrants and other structures. Please do not place debris in the roadway. If debris crews are unable to pass safely along the streets, they will not be able to remove your debris.
- The Houston Health Department today (Sept. 2) opened four Women, Infants and Children (WIC) sites dedicated to help people affected by Harvey's unprecedented flooding. The sites will begin registering pregnant women, women who recently had a child, infants and children under the age 5 for WIC benefits at the shelter set up at the George R. Brown Convention Center and Walmart

stores at 111 Yale Street, 11210 W. Airport and 9460 W. Sam Houston Parkway. Hours of operations are 9 a.m. to 5 p.m. WIC clients who evacuated and left behind their WIC card, food or formula benefits can replace the items by going to an open WIC clinic.

- Houston Water's West District and Turkey Creek Wastewater Treatment plants which provide sanitary sewer service to zip codes: 77024, 77041, 77043, 77055, 77077, 77079, 77080, and 77094 (impacted areas are highlighted on the map above) have been flooded.

Residents in these areas are asked to please help Houston Water conserve resources by NOT flushing or using extra water for showers, baths, laundry, dishes or toilets until further notice. Houston Water is actively working to repair services.

- Houston Health Department testing water from private wells in 17 area counties impacted by Harvey, call [832-393-3939](tel:832-393-3939) for info.
- Houston Health Dept is recommending children and adults & people with lung disease such as asthma avoid all outdoor exertion. Everyone else, especially children, should avoid prolonged or heavy exertion outdoors. Saturday will be the third consecutive day with a forecast calling for an ozone action alert in Houston.
- Cleaning up after Harvey won't disqualify you from disaster assistance, but it's important to keep these tips in mind: 1)Take photos of the damage to your home & belongings before you clean up. 2)Make a list of damaged/lost items & gather any original receipts you have for those items. 3)Save all receipts for repairs, cleanup & disaster-related costs.
- EZTAG lanes continue to be free of charge on all HCTRA roads until further notice. Follow the green arrows thru the non-stop #EZTAG lanes.
- Not necessarily helpful, but interesting. Houston's 2017 rainfall total is 70.82 inches (38.8 inches above normal). The highest recorded was 72.86 inches in 1900.
- The City of Houston and the City's Office of Emergency Management have been closely monitoring water release rates from the Addicks-Barker Reservoirs and strongly urge residents in west Houston with water in their homes to evacuate. A voluntary evacuation has been issued for flooded homes in the following areas:
  - From State Highway 6 east to South Gessner
  - From Interstate Highway 10/Katy Freeway south to Briar Forest

If you live in the above areas and have water in your home, you are strongly urged to evacuate the residence or be prepared to remain with no electrical power for the next 10-15 day period when water release levels from the dams subside.

Water levels in those residences will not go down until the controlled water releases from the dams has concluded.

A voluntary evacuation means a threat to life and property exists or is likely to exist in the immediate future. You may be stuck in your homes for 10-15 days.

Some potential dangers of staying in your flooded home include loss of electricity. CenterPoint Energy will be conducting targeted outages in the evacuation zone beginning this afternoon. If you are in the voluntary evacuation area and need assistance, the City of Houston urges you to call 911. Residents will be brought to safety and have an option to board METRO buses for transport to a shelter at NRG Park, 77054.

***This is the 1st of the Month when Social Security, OPM retirement, Railroad Retirement and VA checks come out.*** U.S. Postal Service Houston District is providing additional information on how customers displaced by Hurricane Harvey can retrieve Treasury checks they receive, via U.S. Mail. They will also distribute identifiable medications sent through the mail. Customers are reminded that, in order to retrieve their check, proper ID must be provided. In addition to retrieving checks, customers can also complete a Change of Address (COA) request, especially if they expect to be out of their homes for an extended period. Below is a list, by ZIP Code, where checks will be made available for pick-up. Simply locate your 5-digit ZIP Code on the left side to find the nearest Post Office location which will have your check available, beginning Friday, September 1. Customers may pick-up checks at any location between the hours of 10:00 a.m. – 6:00 p.m., Monday – Sunday.

**Emergency Leave Transfer Program is warranted:** Agencies with employees adversely affected by Hurricane Harvey are in the best position to determine whether, and how much, donated annual leave is needed by their employees and which of their employees have been adversely affected by the emergency within the meaning of OPM regulations. Agencies are responsible for administering the ELTP for their own affected employees. Therefore, employees who wish to donate annual leave must contact their own agencies, not OPM, to determine if there are any affected employees in their agency and how to donate annual leave to them.

• **Petroleum Impacts:**

- Additional refineries closures occurred since August 30, 2017, but refineries in Corpus Christi, Texas (TX) are starting the process to re-open. These refineries do not provide gasoline to the Colonial Pipeline system.
- The Department of Energy authorized the Strategic Petroleum Reserve (SPR) to negotiate and execute an emergency exchange agreement with the Phillips 66 Lake Charles Refinery. This decision will authorize 200,000 barrels of sweet crude oil and 300,000 barrels of sour crude oil to be drawn down from SPR's West Hackberry, Louisiana (LA) site and delivered via pipeline to the Phillips 66 refinery
- The Colonial Pipeline reported that both lines, Line 1 that moves gasoline and Line 2 that move diesel, gasoline, and jet fuel, are operational and deliveries are described as intermittent and dependent upon supply. The Colonial Pipeline Company estimates that supply out of Houston may recommence on Sunday, September 3, 2017, which would alleviate much of the concern. The Explorer Pipeline shuttered parts of their operations because of a lack of supply. Operations are expected to resume on Friday, September 1, 2017, when supply should generate sufficient pressure. The Colonial Pipeline is the critical petroleum pipelines in the area. The Colonial Pipeline moves 2.5 million barrels per day of product from the Gulf Coast to the southeastern United States and up to the New York City area. This total represents about one-half of the total product used along the East Coast.

  - There are disturbing reports that people impersonating Homeland Security Investigations (HSI) special agents are knocking on doors in the Houston area telling residents to evacuate -- presumably so these imposters can rob the empty homes. Real HSI officials wear badges that are labeled "special agent," which members of the public can ask to see and verify. ICE officers with Enforcement and Removal Operations (ERO) also wear badges labeled with ERO Officer. They also carry credentials with their name and organization. Members of the public who receive such visitors should ask to see these properly labeled badges, and their credentials. Houston Office of Emergency Management warns, ***To report suspicious activity or individuals you believe are impersonating ICE officials, members of the public should immediately contact ICE toll free at [866-347-2423](tel:866-347-2423).***

## **HEALTH INFORMATION**

The Houston Health Department urges people impacted by Harvey flooding to take steps to stay safe and healthy. Good hygiene and food safety are of utmost importance:

- Practice good hygiene such as handwashing after any contact with floodwaters. Wash children's hands frequently, especially before meals.
- Do not allow children to play in floodwater areas.
- Do not eat any food that was in contact with floodwaters.

People who experienced flooding but are now able to enter their homes safely can begin cleaning and sanitizing their homes.

- If rain or floodwaters got into your home, take steps to prevent mold growth. First, wash surfaces with soap and warm clean water to remove dirt and debris. Next, sanitize surfaces with household bleach. Clean it with a solution of 1 cup household liquid bleach per 5 gallons of water. Remember:
- Keep children and pets out of the affected area until cleanup has been completed.
- Remove and discard items that cannot be washed and disinfected (such as, mattresses, carpeting, carpet padding, rugs, upholstered furniture, cosmetics, stuffed animals, baby toys, pillows, foam-rubber items, books, wall coverings, and most paper products).
- Remove and discard drywall and insulation that has been contaminated with sewage or flood waters.
- Thoroughly clean all hard surfaces (such as flooring, concrete, molding, wood and metal furniture, countertops, appliances, sinks, and other plumbing fixtures) with hot water and laundry or dish detergent.
- Help the drying process by using fans, air conditioning units, and dehumidifiers.

### **STORM DEBRIS COLLECTION**

Storm debris will be collected on an ongoing basis until further notice. Please place debris at the curb separated into the following piles:

- Leaves, logs, plants, tree branches (do not bag).
- Construction & demolition material - carpet, drywall, furniture, lumber, mattresses
- Appliances – dishwashers, freezers, refrigerators, stoves, washers, dryers, water heaters
- Electronics – computers, radios, stereos, televisions, other devices with a cord.
- Household Hazardous Waste – cleaning supplies, batteries, lawn chemical, oils, oil-based paints, stains and pesticide

### Neighborhood Depositories

- Wed., Sept. 6, 2017 - Tuesday's garbage will be collected
- Thurs., Sept. 7, 2017 - normal garbage schedule resumes

#### Recycling Collection

Curbside single stream recycling collection will be suspended until further notice. Customers may bring recyclables to neighborhood depository locations or the Westpark Recycling Center located at 5900 Westpark, Mon.-Sat., 8 a.m. – 5 p.m. Closed Sept. 4 for Labor Day.

#### Yard, Junk, And Tree Waste Collection

Yard, junk, and tree waste collections will be suspended until further notice due to the need of extra personnel for debris collection related to disaster recovery.

For more information, visit [www.HoustonSolidWaste.org](http://www.HoustonSolidWaste.org) or call 3-1-1.

#### **CONSUMER PROTECTION**

Be cautious of those in the criminal element who are trying to feed on the misfortune of others.

- To report price gouging, suspected contractor scams and other types of consumer exploitation, contact the Texas Attorney General at [consumeremergency@oag.texas.gov](mailto:consumeremergency@oag.texas.gov) or call [800-621-0508](tel:800-621-0508).
- To verify organizations requesting donations for Hurricane Harvey relief, visit either the Texas Voluntary Organizations Active in Disaster website for a list of vetted disaster relief organizations at <https://txvoad.communityos.org/cms/node/104> or the National Voluntary Organizations Active in Disaster website at <https://www.nvoad.org>.
