

Houston FEB Update #1

October 18, 2017

- The Harris County Office of Homeland Security & Emergency Management and Harris County Commissioner Precinct 1 invite residents affected by Hurricane Harvey to a recovery fair at the Stephanie Cravens Early Childhood Academy in Sheldon ISD.
WHAT: Hurricane Harvey Recovery Fair
WHEN: Saturday, October 21, 2017, 9 a.m. – 4 p.m.
WHERE: Stephanie Cravens Early Childhood Academy,
[13210 Tidwell Road, Houston, Texas 77044](#)
- People receiving SNAP and D-SNAP benefits can now buy double the amount of fresh fruits and vegetables at farmers' markets organized at five Houston Health Department multi-service centers. The Houston Health Foundation is funding the Healthy Houston Bucks incentive program to double SNAP and D-SNAP benefits at the Get Moving Houston Farmers' Markets in the wake of Hurricane Harvey. The funding allows the farmers' markets to continue through November, extending a regular market season that runs April through September. Customers using SNAP and D-SNAP benefits to buy items at the markets will receive the dollar equivalent of their purchases in Healthy Houston Bucks to spend on fruits and vegetables. A customer that spends \$10 in SNAP or D-SNAP benefits will receive an extra \$10 in Healthy Houston Bucks to spend at the markets. All farmers' markets are set for 11 a.m. to 2 p.m. Their locations and dates are:
Denver Harbor Multi-Service Center, 6402 Market Street, Oct. 26 and Nov. 9,
Hiram Clarke Multi-Service Center, [3810 W. Fuqua Street](#), Oct. 19 and Nov. 2,
Northeast Multi-Service Center, [9720 Spaulding Street](#), Oct. 24 and Nov. 7,
Southwest Multi-Service Center, [6400 High Star Drive](#), Oct. 31 and Nov. 14 and
Acres Home Multi-Service Center, [6719 W. Montgomery](#), Nov. 16.
SNAP, short for the Supplemental Nutrition Assistance Program, helps people buy food for good health. D-SNAP provides short-term food benefits for eligible families recovering from a disaster.
- D-SNAP food help extended for Harris Co. Registrations resume tomorrow at Deussen Park (12303 Sonnier)
- Zika-carrying #mosquitoes can breed in just 1 Tbsp of water. Dump standing water & tell Zika to buzz off.
- Montgomery County D-SNAP starts tomorrow through Oct. 20. No alpha last name requirements.
- Confused as to when to use 2-1-1 and 3-1-1? As Houston residents continue the process of recovering from Harvey, it's important to know who to call to access services, ask for assistance, and report issues with City services. The United Way 2-1-1 Helpline helps connect Houstonians with social services and disaster recovery resources, such as: housing, food assistance, help with rebuilding, etc. The Houston 3-1-1 Help and Information line is used to connect Houstonians with City-operated services, such as trash pickup, street repairs, water service issues, drainage issues, and others. for a full list of service requests, visit houston311.org
- Did you know there is no charge for on street parking meters after 6PM in downtown Houston? If you attend the Astros games, you can go downtown early and stay in the same parking space for the game.
- Houston Solid Waste Management Dept is working with FEMA to begin the process of removing debris from some private property in the City. Pending a FEMA inspection, and the City's receiving a

fully executed right of entry and indemnification agreement (signed by each individual owner), City crews can and will begin removing Hurricane related debris in approved areas.
