Tim's comments are spot on. The map still needs to be edited.

Here are economic reports on 4 additional monuments. It would be helpful if we could get comments by the 28th.

Although Craters and Hanford are off the list for recommending any changes, we will still release these reports at the end of the process and want to be as complete and accurate as possible.

Hi Randy,

Here are write-ups for four more monuments. It would be helpful to get comments on these.
