

MEMORANDUM OF AGREEMENT

THIS MEMORANDUM OF AGREEMENT is entered into by and between the U.S. Department of the Interior (the “Department”) Land Buy-Back Program for Tribal Nations (the “Buy-Back Program”), and the [TRIBE] (the “Participating Tribe”) (collectively the “Parties”).

I. PURPOSE

This Memorandum of Agreement (sometimes “Agreement”) is entered into by the Parties for the purpose of defining the Parties’ working relationship during implementation of land consolidation activities at the [RESERVATION] (the “Reservation”).

II. RECITALS

- a. The Settlement Agreement in Cobell v. Salazar, as confirmed by the Claims Resolution Act of 2010, Public Law 111-291 (the “Settlement”), establishes a \$1.9 billion Trust Land Consolidation Fund (the “Fund”) to purchase fractional interests in trust or restricted land.
- b. The Secretary of the Interior (the “Secretary”) established the Buy-Back Program on December 17, 2012, to manage the Fund and implement the land consolidation program called for by the Settlement.
- c. Under the Settlement, after ten years, commencing on November 24, 2012, any monies remaining in the Fund shall be returned to the U.S. Department of Treasury; thus, the success of the Buy-Back Program, and the full expenditure of the Fund, depend upon the identification and consent of willing sellers to sell their fractional interests within a limited time period.
- d. The Buy-Back Program published a Status Report dated November 4, 2015 (the “Status Report”). As explained in the Status Report, purchase estimates (“Purchase Estimate”) have been identified that estimate a portion of the Fund that may be used on a particular reservation to acquire fractional interests from willing sellers.
- e. Under the 2000 Indian Land Consolidation Act (ILCA) Amendments, 25 U.S.C. § 2212 (b)(3)(C), the Secretary, to the extent practicable, may enter into agreements with the tribal government that exercises jurisdiction over the land involved or a subordinate entity of the tribal government to carry out some or all of the Secretary’s land acquisition program, which agreements are not subject to the provisions of the Indian Self-Determination and Assistance Act (ISDEAA), 25 U.S.C. § 450 et seq.
- f. A Purchase Estimate of \$ _____ has been identified for the Reservation, which will be available for a limited time for payment directly to landowners of fractional interests by posting to Individual Indian Money (IIM) accounts following approval of sales. As described in the Status Report, within the Reservation there are approximately _____ fractionated tracts of land (the “Fractionated Tracts”),

comprising _____ acres with _____ purchasable fractional interests (the “Fractional Interests”) and _____ associated unique landowners (the “Owners”).

- g. The Buy-Back Program will purchase Fractional Interests from certain of the Owners who voluntarily decide to sell (i) following an offer to purchase and (ii) within a specified time. If the response of all such Owners is less than the Purchase Estimate, the Buy-Back Program may in its discretion make the remaining funds available for payment to Owners of interests at different locations.
- h. The Participating Tribe’s participation in the Buy-Back Program has been authorized through the adoption of a resolution of the Participating Tribe’s governing body, resolution number [INSERT TRIBAL RESOLUTION NUMBER].
- i. Pursuant to 25 U.S.C. § 2216(e), the Tribal Authorization (Tribal Resolution [INSERT TRIBAL RESOLUTION #]) contains the Participating Tribe’s request for a list of names and mailing addresses of the Owners and information on the location of the tracts and the percentage of undivided interest(s) held by each Owner.
- j. This Memorandum of Agreement is neither a fiscal nor a funds obligation document. Any endeavor or transfer of anything of value involving reimbursement or contribution of funds between the Parties to this instrument will be handled in accordance with applicable laws, regulations, and procedures including those for Government procurement and printing. Such endeavors will be outlined in separate agreements that shall be made in writing by representatives of the Parties.

BASED ON THE ABOVE RECITALS, the Parties enter into the following Memorandum of Agreement.

III. AUTHORITY

This Memorandum of Agreement is entered into under the Settlement and ILCA, 25 U.S.C. § 2212(b)(3)(C). It is not subject to the provisions of the Indian Self-Determination and Education Assistance Act of 1974 (25 U.S.C. § 450 et seq.).

IV. BUY-BACK PROGRAM RESPONSIBILITIES

- a. The Buy-Back Program will be responsible for all four phases of the land consolidation process; Outreach, Land Research, Valuation and Acquisition; at the Reservation in accordance with standard operating procedures and processes.
- b. Valuations will not necessarily occur for all tracts, especially for tracts where the following exists: (1) a tract has only one Owner; (2) a tract does not have at least one trust or restricted interest; (3) a tract where the Participating Tribe does not exercise jurisdiction over the tract; (4) a tract that is not mappable (i.e., legal description of a tract does not require further research); and (5) a tract that is 100 percent comprised of ineligible interests. Purchase offers (“offers”) will be mailed to fractional interest Owners in one or more groups or “waves,” after values for the appraised tracts are

determined and approved. No offers will be made to Owners that are estates, Owners whose whereabouts are unknown, Owners that are under a legal disability (e.g., minors), and Owners of beneficial interests (e.g., life estates).

- c. The Buy-Back Program intends to send offers to the Reservation's landowners in one mailing currently estimated to be mailed at approximately [INSERT ESTIMATED DATE e.g., SPRING OF 2017], however, the Buy-Back Program may in its discretion adjust this schedule or the number of offers to be made. The Bureau of Indian Affairs (BIA) Acquisition Center will receive, process, review, and approve complete, accepted offers, and the Office of the Special Trustee for American Indians (OST) will post payments directly to Owner accounts.
- d. The Buy-Back Program and OST will make informational materials (e.g., frequently asked questions documents, scripts, fact sheets) available to the Participating Tribe. The Buy-Back Program will also make outreach training available to the local BIA Agency staff and the Participating Tribe's staff, if necessary.

VI. PARTICIPATING TRIBE RESPONSIBILITIES

- a. **External Communications.** The Participating Tribe will obtain prior approval of all press releases, published advertisements, or other statements intended for the public that refer to this Agreement or to the Department or the Buy-Back Program, or the name or title of any employee of the Department in connection with this Agreement.
- b. **Land Research.** The Parties agree to continue collaborating on Land Research activities, and the Participating Tribe will share information, to the extent practical, in support of the Office of Appraisal Services' Valuation activities.
- c. [INCLUDE THIS TERM ONLY WHEN RESERVATION HAS RESTRICTED FEE INTERESTS] **Restricted Fee Interests.** The Participating Tribe will cooperate with the Buy-Back Program and provide the necessary information in its possession to assist with the environmental reviews necessary for the acquisition of restricted fee interests. The Buy-Back Program will not acquire restricted fee interests in tracts found to have environmental issues.

V. TRIBAL PRIORITIES AND ACQUISITION OF FRACTIONAL INTERESTS

- a. **Tribal Priorities.** The Participating Tribe has identified certain of the Fractional Interests within the Reservation that are priorities for potential purchase by providing the Buy-Back Program with a draft priority listing on _____, 20____. The Participating Tribe will cooperate with the Buy-Back Program to update and finalize the submitted Tribal Priority Fractional Interests list by _____, 20____. The Program will work from the draft Tribal Priority Fractional Interests list in the event the Tribe does not provide an updated list by the date identified.
 - i. The Buy-Back Program will work in good faith and consultation with the Participating Tribe to acquire the Tribal Priority Fractional Interests to the

extent feasible and cost effective. The Participating Tribe recognizes that the Owners' decision to sell is voluntary and that the Buy-Back Program cannot guarantee that the Tribal Priority Fractional Interests will be acquired, in part because some Fractionated Interests or Fractionated Tracts may be ineligible for acquisition by the Buy-Back Program (e.g., some tracts may not be valued or are currently unmappable or require resolution of one or more mapping process codes) as described above and in the Status Report.

- ii. The Participating Tribe recognizes and agrees that the Buy-Back Program may acquire any other Fractional Interests on the Reservation in order to utilize the Purchase Estimate. If there are any particular Fractional Interests that the Participating Tribe would like to exclude from the Buy-Back Program, it must specifically identify such interests by providing a written notice to the Buy-Back Program, within 30 days after the effective date of this Memorandum of Agreement, to the Buy-Back Program for its consideration
- b. **Tracts with Improvements.** If the Participating Tribe recommends offers to be made for interests in tracts with unleased improvements, the Participating Tribe must pass a timely Tribal Authorization (or take equivalent action under the Participating Tribe's normal operating procedure) stating that "the [Participating Tribe] requests tracts with improvements be included in the offer set and that the [Participating Tribe] will afford landowners occupying any tracts acquired via the Buy-Back Program the opportunity for a lease if one is not in place already."
 - c. **Interests Held in Trust.** All of the Fractional Interests acquired will be held in trust by the United States for the benefit of the Participating Tribe.

VII. MUTUALLY AGREED UPON TERMS

It is mutually agreed and understood by the Parties that:

- a. The Parties agree to communicate regularly throughout the implementation of land consolidation activities on the Reservation and inform each other if events occur which may have a significant impact on land consolidation activities or this Memorandum of Agreement.
- b. Each Party shall be solely responsible for the acts and omissions of its employees, agents, and contractors in the performance of this Memorandum of Agreement or any subsidiary agreement hereto. Accordingly, the Participating Tribe shall indemnify and hold the Department harmless against all liabilities, claims for damages, suits, losses, and expenses by reason of injury to any person or property arising out of or connected with any act or omission of the Participating Tribe arising from activities in pursuance of this Memorandum of Agreement.
- c. Nothing in this Agreement may be construed to obligate the Department to any current or future expenditure of resources in advance of the availability of appropriations from

Congress nor does this Agreement obligate the Department to expend funds on any particular project or purpose, even if funds are available.

- d. All activities pursuant to this Memorandum of Agreement shall be in compliance with the requirements of Executive Order 11246, as amended; Title VI of the Civil Rights Act of 1964, as amended, (78 Stat. 252; 42 U.S.C. § 2000d et seq.); Title V, Section 504 of the Rehabilitation Act of 1973, as amended, (87 Stat. 394; 29 U.S.C. §794); the Age Discrimination Act of 1975 (89 Stat. 728; 42 U.S.C. § 6101 et seq.); and with all other federal laws and regulations prohibiting discrimination on grounds of race, color, sexual orientation, national origin, disabilities, religion, age, or sex.
- e. This Memorandum of Agreement is intended to lay out the Buy-Back Program's activities at the Reservation and is not intended to create any right or benefit, trust responsibilities, substantive or procedural, enforceable at law or equity by any party against the United States, its agencies, its officers, or any person.
- f. No Party shall be considered an employee, agent, partner or fiduciary of the other except for such purposes as may be specifically enumerated herein, nor shall anything contained in this Memorandum of Agreement be construed to create any partnership or joint venture between the Parties.
- g. The Parties will carry out their own activities and use their own resources, including the expenditure of their own funds, in pursuing the objectives enumerated in this Memorandum of Agreement.
- h. Other than the Department's support of the principles in this Memorandum of Agreement, nothing in this Memorandum of Agreement constitutes or shall be interpreted to imply an endorsement by the United States of any product, service, or opinion of the Participating Tribe or its officers, employees, or contractors.
- i. Nothing on this Memorandum of Agreement is intended to alter, limit, or expand the Department's statutory and regulatory authorities.
- j. Pursuant to Federal Law, no member of, or delegate to, Congress may benefit from this Memorandum of Agreement either directly or indirectly.
- k. Any information furnished by the Parties to one another under this Memorandum of Agreement may be subject to the Freedom of Information Act, 5 U.S.C. § 552.
- l. The Parties will comply with the Federal Advisory Committee Act to the extent that it applies.

VII. KEY OFFICIALS

- a. **Tribal Contact.** The Participating Tribe hereby designate designates _____ [INSERT TRIBAL POC CONTACT INFORMATION] as its Point of Contact for all matters related to this Memorandum of Agreement. The Participating Tribe shall notify

the Buy-Back Program's Point of Contact (as identified below) in writing of any change in its Point of Contact.

- b. **Buy-Back Program Tribal Relations Advisor.** The Buy-Back Program Manager hereby designates _____ [INSERT LBBP TRA CONTACT INFORMATION] as the Point of Contact for all programmatic matters related to this Memorandum of Agreement. VIII. RETENTION OF FIDUCIARY TRUST RECORDS

The Participating Tribe agrees to preserve, protect, and manage all records created and/or maintained by the Participating Tribe during its participation in the Buy-Back Program. The Participating Tribe agrees to make available to the Department all records pertaining to the administration of the Buy-Back Program. Any records relating to the Buy-Back Program held by the Department will be considered Indian Fiduciary Trust Records and will be maintained as defined by Department of the Interior Manual Part 303 Chapter 6, which is based on 44 U.S.C. Chapter 31. The Participating Tribe agrees to store and permanently retain all records relating to the Buy-Back Program, active and inactive, at the Participating Tribe's expense and with full unlimited access thereto by the Department, or allow such records to be removed and stored at the applicable office at the Department of the Interior for active records, and then transferred to the American Indian Records Repository (AIRR) in Lenexa, Kansas for inactive records.

IX. MODIFICATION, TERMINATION, AND DISPUTES

The terms of this Memorandum of Agreement may be modified at any time, in writing, by mutual agreement of the Parties. A Party must respond to a request for modification(s) within thirty (30) calendar days of receipt.

- a. The term of this Agreement will be from the date of the signatures of both Parties through [INSERT DATE]. Completion of the objectives of the Buy-Back Program, including exhaustion of the Purchase Estimate, or any remaining available portion thereof, or an end to a supply of willing sellers selling their fractional interests within a limited time period, may be events for terminating this Agreement before the end of the term.
- b. The Parties to this Agreement may suspend, terminate or revoke this Agreement upon thirty (30) days written notice to the other, except that all then in-process work required to complete specific objectives or activities under this Agreement will be continued until completion or in a manner to avoid a waste of efforts or loss of important information. An attempt first to resolve any disputes, however, is the preferred approach rather than a notification of termination.
- c. Should disagreement arise as to the interpretation of the provisions of this Agreement, or amendments and/or revisions thereto, that cannot be resolved at the operating level, each Party shall reduce the area(s) of disagreement to writing and present to the other Party for consideration. If agreement on interpretation is not reached within 30 days, the

Parties shall forward the written presentation of the disagreement to respective higher-level officials for appropriate resolution.

X. NO EFFECT ON SOVEREIGN IMMUNITY

Nothing in this Memorandum of Agreement shall be construed to limit, alter, waive, or modify the legal rights, interests, benefits, privileges, or immunities possessed by either party.

XI. AGENCY AND TORT LIABILITY

The Participating Tribe is not an agent or representative of the United States, and neither the Buy-Back Program nor the Participating Tribe will represent the Participating Tribe as such to third Parties. Buy-Back Program employees are not agents of the Participating Tribe and will not act on behalf of the Participating Tribe. Employees of the Participating Tribe are not agents of the Buy-Back Program and will not act on behalf of the Buy-Back Program. XII. OTHER PROVISIONS

- a. **Privacy Act.** The Privacy Act, 5 U.S.C. § 552a, applies to all activities under this Memorandum of Agreement and the Participating Tribe agrees to protect personally identifiable information and other privileged and confidential information as defined under that Act and other applicable federal laws. In order to receive access to personally identifiable information, the Participating Tribe's staff must sign a non-disclosure agreement and take Privacy Act and information security training.

- c. **Survival.** Any and all provisions which, by their nature, are reasonably expected to be performed after the expiration or conclusion of this Memorandum of Agreement shall survive and be enforceable after the expiration or conclusion of this Memorandum of Agreement. Any and all liabilities, actual or contingent, which have arisen during the term of and in connection with this Memorandum of Agreement, shall survive the expiration or conclusion of this Memorandum of Agreement.
- d. **Partial Invalidity.** If any provision of this Memorandum of Agreement or the application thereof to any party or circumstance shall, to any extent, be held invalid or unenforceable by a court of competent jurisdiction, the remainder of this Memorandum of Agreement, shall not be affected thereby and each provision of this Memorandum of Agreement shall be valid and be enforced to the fullest extent permitted by law.

- e. **No Employment Relationship.** This Memorandum of Agreement is not intended to and shall not be construed to create an employment relationship between the Department or any bureau thereof and the Participating Tribe or its members, employees or contractors.
