The Southcentral Alaska Subsistence Regional Advisory Council will hold a teleconference on April 17, 2018, to develop a recommendation to the Federal Subsistence Board (Board) on Fisheries temporary special action request FSA18-02. Submitted jointly by the Ninilchik Traditional Council and the U.S. Fish and Wildlife Service, FSA18-02 requests several modifications to Federal subsistence regulations to allow for implementation of the Kenai River community gillnet fishery for residents of Ninilchik during 2018, including establishing seasons, harvest limits and guidelines about fish retention and release.

The teleconference will begin at 9:00 a.m. on April 17, 2018, and should adjourn around 11:00 a.m. or when the agenda item is completed. The public is invited to call into teleconference by dialing toll-free (866) 916-7020 (passcode 37311548). Individuals or agencies planning to present comments on this special action request should contact the Council Coordinator, Donald Mike, at the phone number or email address listed above, in advance of the teleconference.
