

Marshall Meyers

An attorney involved with myriad wildlife and environmental issues before the Department of Interior, the Department of Agriculture, the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES), the Convention on Biological Diversity (CBD), the European Union, the Federal Government and all 50 states.. On behalf of the pet industry over the past 40+ years, focused on legislative and regulatory matters affecting acquisition, transport, sale, possession and care of companion animals and wildlife. These issues span animal welfare, humane transport, endangered species, injurious wildlife, wild harvest and captive propagation of native/nonnative species, invasive species, wildlife regulation, wildlife diseases, import/export, international regulation of animals, and other animal related issues.

Attempts to retire have failed miserably but stepped down as Executive Vice President/CEO of the Pet Industry Joint Advisory Council (PIJAC) in 2010 and a PIJAC Senior Consultant on October 2m 2015. Currently represents individual companies in the aquatics, avian, reptile/amphibian trade as well as serves as Chair of the International Air Transport Association's (IATA) Live Animals and Perishables Board's Advisory Committee, member of several ANSTF Regional Panels, and several CITES working groups. Editor -- Shine, Clare, *Pet Pathway Toolkit* (2011) in response to request during the 2008 Bonn CBD COP. <http://www.petpathwaytoolkit.com/>.

Former ISAC member, 2000-2006.
