Will do. Downey connected me with 2 senior political appointees there, and I believe they were going to talk to him, but I'll follow up directly. Will also let them know.

Randy,

I met with Dan Jiron, Acting Undersecretary, Natural Resources & Environment @ USDA.

He is out of the loop for monument review for Forest Service lands.

Please call him ASAP, bring him up to speed, make sure that his designees are involved in reviewing USFS lands in monuments..

Thanks.

FYI - I will be talking with Dan Simmons at 12:15. This will have all of the required agencies involved in our review process. Doug set this up, as the only senior contact I had at Energy is no longer there.

Great.

Dan I am connecting you to Randy Bowman who is managing the review process related to

Monuments. To be honest, I do not think this will be a heavy lift for DOE since we do a lot of the resource assessment work. However we want to bring you up to speed and let you engage as you want.

Randy, please reach out to Dan. He is great.
