All-

Just wanted to flag for you that we are getting some incoming about what other monuments the Secretary is going to visit and when. Bureaus have been getting similar requests. Might be good to put together some type of holding statement. Let me know and I can draft something. Thanks.

Subject: CBS News Request - Zinke's Monument Schedule?
To: "Interior_Press@ios.doi.gov" <Interior_Press@ios.doi.gov>

Hello-

I work with CBS National News out of California and cover all the west coast.

I've been following Secretary Zinke's travels in Utah and was hoping to get more information on his review/travels.

Will the Secretary be visiting other monuments soon – If so, when and where?

We'd definitely like to cover some of this... So, the sooner we can get this info, the better for our planning purposes.

Thank you for your time and information. I'd be happy to chat with someone in your communications office if you'd send a specific name/contact info.
