Here is my initial draft to the Palone/9 others letter. Because of the nature of the letter, the time it has bounced around here, and all of the signatories being the Ranking Member of a committee or subcommittee, I drafted a detailed reply rather than a general one. Since I'm not sure if that is how the Secretary does business with his former colleagues, I'm sending it to you two for initial review rather than for general surnaming. The pdf 1822i is the incoming, the doc file my draft. The numbers are Exec Sec's system
