AN E&E NEWS PUBLICATION

CLIMATEWIRE — Wed., April 5, 2017

READ FULL EDITION

1. POLITICS:

Transition aide: We're not 'quite done' with executive orders

President Trump could issue new executive orders related to the environment and energy, according to a former transition official. Mike McKenna, the former head of the Department of Energy transition team, said yesterday that offshore energy development and aspects of the Antiquities Act are the most likely contenders for action under Trump's pen.
