Thank you. I'll check on the room Monday or Tuesday when the Secretary is out of town and things have calmed down. The mailing address we used is: Monument Review, MS-1530, U.S. Department of the Interior, 1849 C Street NW, Washington, D.C. 20240

A few things Randy,

- 1) I know Greg provided our mailstop (MS-1530) and OCIO gave you the phone number (208-1906).
- 2) The room we have set aside for your team will be in the North Penthouse. It is labeled as Breakout Room A. It has a cypher-lock on the door so when you are ready, let Mike Hershfeld know (he is cc'd on this email) and he can get you code.
- 3) Could you let us know what we should expect to see on the address lines for this mail? In other words, what are putting into the Fed Register as the mailing address (aside from the mailstop we provided)?

Thanks
