Thanks Randy,

That's what I thought, but wanted to make sure. We are almost done scanning one box and Julia will continue scanning tomorrow.

My manager, Julie Spano, is receiving a lot a FOIA's. I explained to her what we talked about today. She asked if you had contacted the FOIA office to let them know everything is getting posted to [regs.gov](#).

Have a wonderful weekend.

Jennifer

You are correct - all of the previously counted comments, without exception, should be uploaded to [regs.gov](#), with the "zxc" code so they are not counted again.

Similarly, all new postcard and handwritten comments should be uploaded with the same code, and then later counted in in your office. The priority is for uploading, as counting can wait until later.

When we are finished, all comments should be on [regs.gov](#)
