The subject ATOs are signed and attached.

You are now authorized to transfer the data, and operate the system per the scope and controls defined.

I understand that some of the users are still working through the mandatory training; Every user must complete the training before being granted access.

Congratulations, and Thank you all for pulling together to carefully complete this expedited and important assessment and accreditation.

For our partners/customers,...I know the real work begins today... good luck !

Respectfully,
