Thank you, but I have met with her several times and we have been in email contact while she was in Utah. I just mistakenly pictured the room number as being on the Deputy Secretary's hallway, and so wondered who the appointment was with. As soon as I realized it was instead on the Secretary's hallway I knew it had to be with her. Cathy answered before I could get back to her.

No worries, Mrs. Magallanes is the Special Assistant to Secretary Zinke. She is in the Secretary's corridor. I believe the meeting may be about monuments or just a meet and greet. Please let me know if you have a conflict.

Sincerely,

Gisella Ojeda-Dodds

Thank you. I was about to send a "never mind" on my first message, as I initially thought the room number was on your corridor and not the Secretary's. Once I realized my mistake, everything became clear.
