The Honorable Rob Bishop  
Chairman, Committee on Natural Resources  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Chairman:

This letter provides additional information and clarification relating to your October 3, 2017, request for information on Department of the Interior Secretarial travel use of non-commercial flights.

Enclosed with this letter is a copy of a disk titled “00005042_001” that contains an electronic set of the documents transmitted to your Committee by the Department on October 5, 2017. This electronic set of documents contains several updates to the paper copy originally provided to your Committee. First, the disk contains four additional documents identifying travel policies in the Department, the U.S. Fish and Wildlife Service, and the Bureau of Reclamation. Second, we have identified and included 6 additional documents relating to Secretarial travel during the years 2011-2015.

With the addition of this new material and other corrections to the organization of the original document set, the summary of pertinent information included in our original letter has also been updated to reflect this new information, as follows:

Dear Mr. Chairman:

This letter provides additional information and clarification relating to your October 5, 2017, request for information on Department of Interior Secretarial travel use of non-commercial flights.

We would like to bring to your attention a few corrections regarding the original transmittal of documents to your Committee. First, the label on the tab for the documents under the memorandum dated July 6, 2017, should reference “DOI Aircraft,” rather than “Charter.” In addition, the memorandum under the tab labeled “Charter $8,490” was erroneously placed with material from 2012, and should have been placed with the 2013 documents. Lastly, the memorandum dated February 7, 2011, was included in the response and should be removed. While SES and non-SES Bureau of Reclamation staff did travel by charter aircraft on February 19, 2011, the Secretary was not included on the manifest for that trip.

$72,849 TOTAL
CHARTER

$12,253
OFFICE OF THE SOLICITOR
CORRESPONDENCE BACKGROUND FORM

Date: June 23, 2017

Nature and Significance of Document: Request for approval of use of charter aircraft service for official travel on June 27, 2017 of the Secretary, two DOI senior officials (Laura Rigs, Communications Director; Scott Hommel, Chief of Staff), and two non-SES officials (Sgt 1916, 1917, Security; Sherman Hogue, Public Affairs, BLM) from Las Vegas, NV to Kalispell, MT. The purpose of this travel is meetings with state officials and a speech at the Western Governors' Association in Whitefish. In Las Vegas, the Secretary's official events do not end until 7:30pm, after the final commercial flight to Kalispell.

Background: Advance approval/disapproval by the Solicitor or Deputy Solicitor is required by 41 C.F.R. Parts 301-10 and 301-70, and OMB Circular A-126 for travel on other-than-commercial airlines by officials at SES level and above and for all non-federal individuals who are traveling either for official DOI business or on a “space available” basis. The standards for approving official travel vary according to the category of travel: to meet mission requirements; “required use” travel (extraordinary security, communications, or scheduling needs); or other travel for the conduct of DOI business.

The trip documented on the attached form is ordinary (“other”) official travel because it involves transportation that is neither to meet mission requirements nor “required use” travel. As such, the use of DOI or charter aircraft may be authorized only when: 1) no commercial service is reasonably available to meet the scheduling or operational needs of the trip; or 2) the actual cost of charter aircraft is not more than commercial service. Reasonable availability is defined as “able to meet your departure and/or arrival requirements within a 24-hour period, unless you demonstrate that extraordinary circumstances require a shorter period.” 41 C.F.R. § 301-10.261(a)(1).

As the attached OAS-110 indicates, DOI and commercial aircraft service are not available to meet the operational and scheduling needs of this flight. The cost of charter aircraft service, not including cost of total duty hours away, is $12,253. Because the charter aircraft service is the only means of meeting the operational and scheduling needs of this trip, this travel may be approved.

Your approval of this travel is requested. The applicable criteria are met for approval of this travel. PLEASE INDICATE YOUR APPROVAL ON THE ATTACHED OAS-110 FORM.

REMARKS: (Must be completed if other than most-cost-effective method is chosen.)

Request approval to utilize Department of Interior charter aircraft to transport Secretary Zinke and other team members on June 26th, 2017. Aircraft will pick up team from Las Vegas NV and travel to Kalispell MT.

Purpose of Flight: Secretary Ryan Zinke is currently scheduled to arrive in Las Vegas, Nevada, at 11:40am on June 26. He will first drive to Pahrump, Nevada, to hold a roundtable meeting with regional county commissioners, and make a media announcement regarding PILT grants. Secretary Zinke will then return to Las Vegas to speak at a Vegas Golden Knights Development Camp Dinner, which is scheduled to conclude at 7:30pm. Secretary Zinke will then travel to Whitefish, Montana. The next morning, beginning at 8:30am, Secretary Zinke will attend the Western Governors' Association (WGA) Annual Meeting to give keynote remarks at the morning session, and meet with various WGA governors who are also attending the gathering.

Next flight available for this flight.

Latest commercial flight out of Las Vegas to Kalispell is 6:50pm with 1 stop. However the next latest flight out is 8:25am with 2 stops. Last engagement in Las Vegas does not end until 7:30pm therefore cannot catch a commercial flight out of Las Vegas.

CHARTER

$3,000
OFFICE OF THE SOLICITOR  
CORRESPONDENCE BACKGROUND FORM  

Date: March 27, 2017

Nature and Significance of Document: Request for approval of contract aircraft service for official travel on March 31- April 1, 2017 of Secretary Zinke and seven non-SES DOI officials (Nikolaos Pula, Director, OIA; Megan Bloomgren, Director, Communications, Doug Domenech, Senior Advisor; Russell Roddy, Director of Scheduling and Advance; Basil Ottley, Policy Director, OIA; Sg[redacted] Security; James Riddick, Maintenance Mechanic) from St. Croix, USVI, to St. Thomas, USVI, and back. The purpose of this travel is celebrations and meetings associated with the centennial of the transfer of the USVI to the United States.

Background: Advance approval/disapproval by the Solicitor or Deputy Solicitor is required by 41 C.F.R. Parts 301-10 and 301-70, and OMB Circular A-126 for travel on other-than-commercial airlines by officials at SES level and above and for all non-federal individuals who are traveling either for official DOI business or on a “space available” basis. The standards for approving official travel vary according to the category of travel: to meet mission requirements; “required use” travel (extraordinary security, communications, or scheduling needs); or other travel for the conduct of DOI business.

The trip documented on the attached form is ordinary (“other”) official travel because it involves transportation that is neither to meet mission requirements nor “required use” travel. As such, the use of DOI or charter aircraft may be authorized only when: 1) no commercial service is reasonably available to meet the scheduling or operational needs of the trip; or 2) the actual cost of charter aircraft is not more than commercial service. Reasonable availability is defined as “able to meet your departure and/or arrival requirements within a 24-hour period, unless you demonstrate that extraordinary circumstances require a shorter period.” 41 C.F.R. § 301.10.261(a)(1).

As the attached OAS-110 indicates, commercial and DOI aircraft service are not available to meet the scheduling and operational needs of this travel. Charter aircraft service, including the cost of total duty hours away, is $1,500. Because use of charter aircraft service is the only means of meeting the operational and scheduling needs of this trip, this travel may be approved.

Your approval of this travel is requested. The applicable criteria are met for approval of this travel. PLEASE INDICATE YOUR APPROVAL ON THE ATTACHED OAS-110 FORM.

B. COST COMPARISON:

1. Commercial Airline Costs to meet the required TDS locations and times. Individual ticket cost x number of required travelers.
   - Cost of total duty hours away from office or regular duty station to meet the commercial airline schedule.
   - Cost of required per diem and ground transportation.
   
   TOTAL Cost of Commercial transportation $1,240.00

2. Leased, Contract, or Rental Aircraft:
   - Flight hours x flight hour costs
   - Cost of total duty hours away from office or regular duty station
   - Cost of required per diem and ground transportation
   - Any additional aircraft or crew costs not included in above hourly rate, i.e., standby charges, tiedown fees, overnight parking, extra crew, etc.
   
   TOTAL Cost by Lease, Contract, or Rental aircraft $1,500.00

3. DOI-Operated Aircraft — identify specific aircraft: **NONE AVAILABLE**
   - Flight hours required x variable flight hour cost.
   - Cost of total duty hours away from office or regular duty station.
   - Cost of required per diem and ground transportation.
   - Any additional costs to be incurred that are not included in the above flight hour rate. Variable cost of crew, as defined on page 1 of OMB Circular A-126, Attachment B, if not included in the flight hour rate. (Do not include pilot costs here if the pilot is one of the Government officials required to meet or perform duties at the TDY location.)
   - Fuel costs, if not included in above flight hour rate. Any additional aircraft costs not in the above flight hour rate, i.e., tiedown fees, overnight parking, etc.

   TOTAL COST by DOI Fleet aircraft $0.00

NOTE: 1.20 covers average Fringe Benefits, Retirement, Health & Life Insurance, Medicare, other Fringes. The 1.20 does not include COLA; for Alaska-based employees, add the applicable additional %.

Annual Salary x 2087 hours x 1.20 = Hourly Salary Rate

Purpose: 

REMARKS: (Must be completed if other than most-cost-effective method is chosen.)

Request to approve a DOI contract airplane to transport Secretary Zinke and other staff members on March 31, 2017 between St. Croix and St. Thomas, USVI.

Purpose of Flights: On March 31, 2017, Secretary Ryan Zinke will be on the U.S. Virgin Island (USVI) of St. Croix to meet with Danish Prime Minister Lars Lokke Rasmussen and USVI Governor Kenneth Mapp. The three will then participate in the official St. Croix Transfer Centennial Military Parade and Ceremony. Immediately following the ceremony, Secretary Zinke will travel to the island of St. Thomas to attend a Dignitary Luncheon hosted by Governor Mapp. He will then participate in the official St. Thomas Transfer Centennial Military Parade and Ceremony before flying back to St. Croix. That night, Secretary Zinke is tentatively scheduled to join field teams in observing sea turtle nesting activity on the island’s beaches, depending on the activity levels for the night.

On April 1, 2017, Secretary Zinke will visit St. Croix’s Buck Island Reef National Monument before flying to Washington, D.C., to conclude his trip.

Commercial Airline Scheduled Flight is the most cost-effective method. However, Secretary Zinke’s meeting does not conclude until 1500 hrs.

HI Ed,
Looks like the cost of the USVI charter will be going up. Because of number and weights of passengers, will need two planes. So cost is going from $1,500 to $3000.
May I simply amend the form to reflect the price change and note that it has been determined that two planes will be necessary, or do you want me to send up a new OAS-110 for your signature?

Thanks,
Jennifer

We need to have all 8 travelers on the flights, so please arrange for 2 aircraft at the increased cost of $3,000. Thank you.

limitations. With that said, can we drop the passengers down to 6 passengers vs 8? That would be the best solutions, however if that is not an option, the other option would be to split the team into 2 aircraft and the cost would be double to $3000. Please let us know if either of these options will work.

OFFICE OF THE SOLICITOR
CORRESPONDENCE BACKGROUND FORM

Date: July 6, 2017

Nature and Significance of Document: Request for approval of use of DOI aircraft (USPP helicopter) service for official travel on **July 7, 2017** of the Secretary, one SES DOI official (Virginia Johnson, Principal Dep. Sec. -Fish, Wildlife, and Parks), and one non-SES DOI official (Sgt. D (F), D (F) T/C Security) from Washington D.C. to Yorktown, VA and back. The purpose of this travel is meetings with DOI employees and stakeholders, an overflight of a proposed high voltage transmission corridor across the James River, and a public announcement regarding a boating infrastructure grant program.

**Background:** Advance approval/disapproval by the Solicitor or Deputy Solicitor is required by 41 C.F.R. Parts 301-10 and 301-70, and OMB Circular A-126 for travel on other-than-commercial airlines by officials at SES level and above and for all non-federal individuals who are traveling either for official DOI business or on a "space available" basis. The standards for approving official travel vary according to the category of travel: to meet mission requirements; "required use" travel (extraordinary security, communications, or scheduling needs); or other travel for the conduct of DOI business.

The trip documented on the attached form is ordinary ("other") official travel because it involves transportation that is neither to meet mission requirements nor "required use" travel. As such, the use of DOI or charter aircraft may be authorized only when: 1) no commercial service is reasonably available to meet the scheduling or operational needs of the trip; or 2) the actual cost of charter aircraft is not more than commercial service. Reasonable availability is defined as "able to meet your departure and/or arrival requirements within a 24-hour period, unless you demonstrate that extraordinary circumstances require a shorter period." 41 C.F.R. § 301-10.261(a)(1).

As the attached OAS-110 indicates, charter and commercial aircraft service are not available to meet the operational and scheduling needs of this flight. The cost of charter aircraft service, not including cost of total duty hours away, is $6,252. Because the DOI aircraft service is the only means of meeting the operational and scheduling needs of this trip, this travel may be approved.

Your approval of this travel is requested. The applicable criteria are met for approval of this travel. **PLEASE INDICATE YOUR APPROVAL ON THE ATTACHED OAS-110 FORM.**

Helicopter Travel to Yorktown - Final Information

My apologies for the delay. We've added a 30-minute flyover during the flight from DC to Yorktown. Here's the final information for the Secretary's travel to Yorktown, Virginia, on Friday:

July 7, 2017
8:00am Depart Washington, DC (with flyover)
9:30am Arrive Yorktown, VA
1:30pm Depart Yorktown, VA
2:30pm Arrive Washington, DC

Passenger Manifest for both flights:
Secretary Zinke - ES
Sgt. (E6) (E6) (E7) (E7) GS-12 Security
Virginia Johnson - SES

Trip Summary:
On July 7, 2017, Secretary Ryan Zinke will travel to Yorktown, Virginia, for a number of official engagements. Prior to arriving in Yorktown, he will take a flyover of the route of a proposed high voltage transmission line across the James River near Jamestown, Virginia. In Yorktown, Secretary Zinke will meet with DOI employees from Yorktown Battlefield and Jamestown Island, take a walking tour of Yorktown Battlefield, participate in a boating industry roundtable discussion, and make a boating infrastructure grant announcement. Secretary Zinke's final engagement in Yorktown is scheduled to conclude at 1:00pm.

Following his visit to Yorktown, Secretary Zinke must immediately return to Washington, D.C. to attend an official event with Vice President Mike Pence at Rock Creek Park. This event is scheduled to begin at 4:00pm, but Secretary Zinke must be at the event site by 3:40pm.

Trip Cost:
Here is a slightly revised cost breakdown. We added one extra hour for the pilot because the helicopter is leaving a little earlier than we initially planned, and 30 minutes of flight time for the flyover:

Total of 2.5 hrs airtime @ $2190 per hr = $5,475
Second Pilot cost is $86.30 hr x 9 hr = $776.70

Total Cost is approx. $6,251.70

Please let me know if you need any further information to complete the necessary OAS-110 form. Thank you.

Tim,

Here is an approximate cost breakdown.
Flight to Yorktown is approx 105 miles = airtime approx 1 hr each way
for a total of 2 hrs airtime @ $2190 per hr = $4380
Second Pilot cost is $86.30 hr x 8 hr = $690.40

Total Cost is approx. = $5070.40

Q1) At this time, the use of the helicopter for this assignment will not potentially compromise any law enforcement obligations.
Q2) To the best of my knowledge, there is no issue with this use of the aircraft, and the USPP does not have any policy that such use would contravene.
Q3) There is no other USPP mission in Yorktown. However, the USPP has flown to Yorktown Battlefield in the past to support NPS operations. This flight would be an opportunity for pilot familiarization with the area.
Q4) I can see 3 advantages to the USPP transporting the Secretary as opposed to a commercial charter.
1. The Secretary will be able to familiarize himself with the in-flight capabilities of an aircraft that he is in charge of.
2. All USPP pilots are sworn officers. These 2 armed Federal Law Enforcement Officers, from the same agency as the Secretary’s Protection Detail, provide an added measure of security for the Secretary during his travel.
3. Although not required, USPP Aviation makes every effort to send at least one pilot who still possesses a paramedic certification when flying the Secretary. This pilot/medical would be able to address any medical emergency that occurred on board the aircraft while the PIC re-routes to the nearest hospital.

I hope I answered all of your questions.

Hello sir. I believe that Lt. [REDACTED] has contacted you already about Secretary Zinke's possible use of a USPP helicopter to travel to Yorktown, Virginia, next week. We're currently planning for the following schedule:

Friday, July 7
TBD Depart Washington, DC
11:00am Arrive Yorktown, VA
1:00pm Depart Yorktown, VA
TBD Arrive Washington, DC

When you have a chance, could you please provide a breakdown of the USPP helicopter costs for such a trip? Similar to the previous trip to NCTC, could you please provide the estimated cost of the flight time, crew cost, and any other expenses that would be incurred? I'm sorry to be tedious, but could you also please answer the following questions for our documentation purposes? Please note that I've added a 4th question that we didn't ask before the previous flight:

1) Can you confirm that use of the helicopter for this assignment will not potentially compromise any law enforcement obligations?

2) Can you confirm that there is no issue with this use of the aircraft, and that USPP does not have any policy that such use would contravene?

3) Is the helicopter scheduled to do anything else in Yorktown (i.e. does it have a law enforcement assignment in Yorktown) or is it solely traveling there to transport agency officials to and from their official engagement?

4) Can you describe the advantages (if any) of transporting a cabinet official such as Secretary Zinke on a USPP helicopter, as opposed to transportation on a potentially less expensive charter aircraft?

Thank you.

Good Afternoon Tim -

Based on the information you provided below, it would be a good option to go with the USPP based upon the costs. As you are aware the Solicitor's office will want a letter from the USPP indicating the use of their aircraft will not disrupt their mission programs.

I am assuming you are already working on that. I will put together the OAS110 for the Solicitor as soon as you provide me the required information.

Thanks again Tim.

Thanks again for providing this, Shari. Here's the information we received from USPP for use of their helicopter for this travel:

Flight to Yorktown is approx 105 miles = airtime approx 1 hr each way for a total of 2 hrs airtime @ $2160 per hr = $4320
Second Pilot cost is $86.30 hr x 8 hr = $690.40

Total Cost is approx. = $5070.40

Based on these costs, I think we're going to go with the USPP helicopter, unless you have any additional input that we haven't considered.

Good afternoon Tim.

It was good talking with you this morning. As promised I would get over some information as soon as I landed in Atlanta.

The helicopter charter company out of Richmond, VA has provided the attached quote. Keep in mind this is and out of Dulles airport. As I mentioned flying in and out of Ronald Regan would require special approval. The vendor indicated that would be an additional $500 if that is what the Secretary prefers.

I have also checked on availability of fixed wing aircraft as you asked. We do not have anything available within reasonable distance that would be cheaper then the helicopter quote.

Please let me know if you have any additional questions.

CHARTER

$3,983
OFFICE OF THE SOLICITOR
CORRESPONDENCE BACKGROUND FORM

Date: May 25, 2017

Nature and Significance of Document: Request for approval of use of Congressional charter aircraft service for official travel on May 27, 2017 of the Secretary, one DOI senior official [Micah Chambers, Special Asst], and one non-SES official [Sgt, [Security]] from Deadhorse, AK to Fairbanks, AK. The purpose of this travel is a site visit and meeting at Conoco Phillips Drillsite CD5, part of a Congressional delegation trip to which the Secretary is an invitee. See attachments for full manifest of this non-DOI operated flight.

Background: Advance approval/disapproval by the Solicitor or Deputy Solicitor is required by 41 C.F.R. Parts 301-10 and 301-70, and OMB Circular A-126 for travel on other-than-commercial airlines by officials at SES level and above and for all nonfederal individuals who are traveling either for official DOI business or on a "space available" basis. The standards for approving official travel vary according to the category of travel: to meet mission requirements; "required use" travel (extraordinary security, communications, or scheduling needs); or other travel for the conduct of DOI business.

The trip documented on the attached form is ordinary ("other") official travel because it involves transportation that is neither to meet mission requirements nor "required use" travel. As such, the use of DOI or charter aircraft may be authorized only when: 1) no commercial service is reasonably available to meet the scheduling or operational needs of the trip; or 2) the actual cost of charter aircraft is not more than commercial service. Reasonable availability is defined as "able to meet your departure and/or arrival requirements within a 24-hour period, unless you demonstrate that extraordinary circumstances require a shorter period." 41 C.F.R. § 301-10.261(a)(1).

As the attached OAS-110 indicates, commercial and DOI aircraft service are not available to meet the operational and scheduling needs of this flight. The cost of the congressional charter aircraft service for the three DOI travelers, not including the cost of total duty hours away, is appx. $3,763. Because the Congressional charter aircraft service is the only means of meeting the operational and scheduling needs of this trip, this travel may be approved.

Your approval of this travel is requested. The applicable criteria are met for approval of this travel. PLEASE INDICATE YOUR APPROVAL ON THE ATTACHED OAS-110 FORM.

I've attached the quote from the charter company, but we won't know the exact cost until after the flight. Based on the quote and the current manifest (below), the Department will pay approximately $1,053.57 per traveler. With three travelers, that would be $3,160.71.

Tim - From our conversation, I understand Secretary Zinke will be involved in two separate flights. The first is the CODEL flight in which is being schedule by Senator Murkowski. The second flight I understand is seeking to be coordinating by your staff. I will definitely need all the information for this second flight in which he is seeking to take so I can get the necessary approvals.

I called Kevin Fox and left him a message. If you could provide me all the details you have so far, that would be great.

OFFICE OF THE SOLICITOR
CORRESPONDENCE BACKGROUND FORM

Date: June 20, 2017

Nature and Significance of Document: Request for approval of use of a U.S. Park Police helicopter for official travel on June 21, 2017 of the Secretary, one DOI senior official (Scott Hommel, Chief of Staff), and one non-SES officials (Sgt. [C] [O], [B] [T] [C] Security) from Washington D.C. to NCTC in Sheperdstown, WV. The purpose of this travel is participation in a COOP/Emergency management exercise.

Background: Advance approval/disapproval by the Solicitor or Deputy Solicitor is required by 41 C.F.R. Parts 301-10 and 301-70, and OMB Circular A-126 for travel on other-than-commercial airlines by officials at SES level and above and for all non-federal individuals who are traveling either for official DOI business or on a “space available” basis. The standards for approving official travel vary according to the category of travel: to meet mission requirements; "required use" travel (extraordinary security, communications, or scheduling needs); or other travel for the conduct of DOI business.

The trip documented on the attached form is ordinary ("other") official travel because it involves transportation that is neither to meet mission requirements nor "required use" travel. As such, the use of DOI or charter aircraft may be authorized only when: 1) no commercial service is reasonably available to meet the scheduling or operational needs of the trip; or 2) the actual cost of charter aircraft is not more than commercial service. Reasonable availability is defined as "able to meet your departure and/or arrival requirements within a 24-hour period, unless you demonstrate that extraordinary circumstances require a shorter period." 41 C.F.R. § 301-10.261(a)(1).

As the attached OAS-110 indicates, Charter and commercial aircraft service are not available to meet the operational and scheduling needs of this flight. The cost of DOI aircraft service, including the cost of total duty hours away, is $8,066. Because DOI aircraft service is the only means of meeting the operational and scheduling needs of this trip, this travel may be approved.

Your approval of this travel is requested. The applicable criteria are met for approval of this travel. **PLEASE INDICATE YOUR APPROVAL ON THE ATTACHED OAS-110 FORM.**

Purpose: ________________________________

REMARKS: (Must be completed if other than most-cost-effective method is chosen.)

Request approval to utilize Department of Interior fleet helicopter to transport Secretary Zinke and other team members on June 21st, 2017. Aircraft will pick up team from Washington DC and travel to Shepherdstown, WV.

Purpose of Flights: On June 21, 2017, Secretary Ryan Zinke will travel to Shepherdstown, West Virginia, to participate in a Federal Emergency Management Training Exercise at the National Conservation Training Center (NCTC). Secretary Zinke will be at NCTC for approximately two hours and then return to Washington, D.C.

Other option would be to drive from Washington DC to Shepherdstown, WV. However Secretary Zinke’s last engagement in Washington DC is at 2pm. Driving would get him into Shepherdstown at approximately 4pm, not in time to meet the scheduled event at 3:15pm.

Charter aircraft was not available to meet the scheduling and operational needs of the flight.

Tim,

I'll try to answer your questions in order.

The hourly rate for flight time is $2190 per.
We have an extra pilot coming on for 8 hours of OT at a rate of $83.28 per hour.
This covers mission and aircraft prep all the way through end of mission.

This mission will not compromise any law enforcement obligations.

There is no issue with this use of the aircraft, and the U.S. Park Police does not have any policy that such use would contravene to my knowledge.

This trip is scheduled to transport agency officials to and from their official engagement at NCTC. However, NCTC is a site that can be utilized for numerous Interior Dept. missions and exercises and has been in the past. As such we are also using this flight as a training mission for pilot familiarization with the terrain/topography of NCTC for future missions.

Please feel free to contact me if you have any further questions.
