**Welcome**

The Subcommittee was informed that high-level Subcommittee meeting summaries will be posted on the RPC website at <http://www.doi.gov/rpc>. The summaries will include the agenda, bullets of what was discussed, next-steps, and the list of attendees.

The Subcommittee was also asked to start considering if the Subcommittee would like the Department's subject matter experts to present or elaborate on anything that could be useful for future Subcommittee or full Committee meetings.

**Working Overview**

The next step for the Subcommittee is to decide which work projects to take on. In order to do this it is important to hear feedback and ideas from everyone on the Subcommittee. So, all Subcommittee members were asked to complete the survey that was previously sent out. For those Subcommittee members who spoke with Rachel or Deirdre about the survey questions: Rachel and Deirdre will input your feedback into the survey form and send it to you for review before submitting it. After all the surveys are received, the Subcommittee will review the responses and decide how to move forward. The results of the survey will be shared at the next Subcommittee meeting.

**Next Steps**

- All Subcommittee members will fill out the survey as soon as possible.
- The survey results will be presented at the next meeting.
- The next Subcommittee call will be on Thursday, December 21, 2017, at 3pm EST.
