## PROPOSED RULE MAKING

### DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

[ 25 CFR Part 121 ]

#### ISSUANCE OF PATENTS IN FEE, CERTIFICATES OF COMPETENCY, AND SALE OF CERTAIN INDIAN LANDS

##### Notice of Proposed Rule Making

*Basis and purpose.* Notice is hereby given that pursuant to the authority vested in the Secretary of the Interior by section 161 of the Revised Statutes (5 U.S.C. 22), it is proposed to amend certain sections of Part 121, Title 25 of the Code of Federal Regulations, to read as set forth below. In the main, these amendments consist of the realignment of material under the subheading "Sales" to present a more logical sequence; the deletion of material regarded as advisory rather than regulatory in nature; and the addition of certain material which more fully encompasses the authorities found in the statutes.

These proposed amendments relate to matters which are exempt from the rule making requirements of the Administrative Procedure Act (5 U.S.C. 1003); however, it is the policy of the Department of the Interior that, wherever practicable, the rule making requirements be observed voluntarily. Accordingly, interested persons may submit in triplicate written comments, suggestions, or objections with respect to the proposed amendments to the Bureau of Indian Affairs, Washington 25, D.C., within thirty days of the date of publication of this notice in the FEDERAL REGISTER.

ROGER ERNST,

Assistant Secretary of the Interior.

JANUARY 14, 1959.

1. Section 121.2(a) is amended to read as follows:

##### § 121.2 Issuance of patents in fee.

(a) The Secretary of the Interior may, in his discretion, and pursuant to the Acts of February 8, 1887, as amended (24 Stat. 388, as amended; 25 U.S.C.

349); June 25, 1910, as amended (36 Stat. 855, as amended; 25 U.S.C. 372); and May 14, 1948 (62 Stat. 236; 25 U.S.C. 483), and pursuant to other authorizing Acts, issue patents in fee to Indians applying therefor in accordance with § 121.1. A patent in fee will not be issued pursuant to this paragraph unless it appears that the applicant is competent and capable of managing his or her own affairs. At the time of the issuance of a patent in fee, an inventory of the estate covered thereby shall be delivered to the patentee. If an application is denied, the applicant shall be so notified in writing.

2. The heading "Method of Sales" is deleted and §§ 121.9 to 121.31 are consolidated into 15 sections under the heading "Sales and Exchanges of Individually Owned Trust or Restricted Land, Exclusive of Five Civilized Tribes Land," to read as follows:

##### § 121.9 Authority.

(a) Pursuant to the Acts of May 27, 1902 (32 Stat. 275; 25 U.S.C. 379); March 1, 1907 (34 Stat. 1018; 25 U.S.C. 405); May 29, 1908 (35 Stat. 444; 25 U.S.C. 404); and May 14, 1948 (62 Stat. 236; 25 U.S.C. 483), and pursuant to other authorizing acts, the following classes of land may be sold or exchanged by the Indian owner(s) with the approval of the Secretary of the Interior:

(1) Allotted land, and devised and inherited interests therein;

(2) Land acquired by purchase, exchange or gift, and devised and inherited interests therein, held under an instrument of conveyance which recites either that title is in the United States in trust for the Indian or that the land shall not be sold or alienated without the consent or approval of the Superintendent, the Commissioner of Indian Affairs, the Secretary of the Interior, or other official of the Federal Government.

(b) Pursuant to the Act of June 25, 1910 (36 Stat. 855; 25 U.S.C. 372), as amended, in certain circumstances the Secretary of the Interior or his duly au-

<sup>1</sup> Filed as part of the original document.

thorized representative may sell interests in trust allotments acquired by Indians through inheritance or devise.

##### § 121.10 Statutory prohibitions.

The conveyance of Indian lands or of any interest therein, and inducing the execution of documents purporting to effect such conveyances without approval by a duly authorized officer of the Federal Government, is prohibited by statute. Such conveyances are null and void and criminal penalties may be incurred. See the Acts of February 8, 1887, sec. 5 (24 Stat. 389, as amended; 25 U.S.C. 348), and June 25, 1910, sec. 5 (36 Stat. 857; 25 U.S.C. 202), which are of general applicability.

##### § 121.11 Petition for sale.

Petitions for the sale of trust or restricted land shall be filed on approved forms with the Superintendent or other officer in charge of the Indian Agency or other local facility having administrative jurisdiction over the land. Sales will be authorized only if, after careful examination of the circumstances in each case, a sale appears to be clearly justified in the light of the long-range best interests of the owner(s). Written notice of the approval of petitions for sale of land shall be given to the tribe occupying the reservation where the land is located a sufficient time in advance of public advertising to reasonably enable the tribal authorities to consider the possibility of tribal interest in the land being sold.

##### § 121.12 Appraisal.

Prior to making or approving a sale, exchange, or gift of trust or restricted land, an appraisal shall be made indicating the fair market value of such land. If the highest bid received at an advertised sale is less than the exact appraised value, the bid may be accepted with the consent of the owner(s) if the bid price is not inconsistent with the appraised value.

##### § 121.13 Advertisement.

Upon approval of an application for an advertised sale, notice of the sale will be published not less than 30 days prior

to the date fixed for the sale, unless a shorter period is authorized. Notice of sale will state the terms, conditions, and method of sale; and will include the date, hour, and place of sale; description of the tract or tracts; a list of all reservations to which title will be subject; where and how bids shall be submitted; and a statement warning all bidders against violation of the provisions of 18 U.S.C. 1860, prohibiting unlawful combination or intimidation of bidders. With the consent of the owner(s), the notice may afford to the tribe, to members of such tribe, or to any reasonably defined class of Indians, a right to meet the high bid.

#### § 121.14 Bids.

Advertised sales may be made under sealed bid or under sealed bid followed by an oral auction. The notice of sale (§ 121.13) shall state the method of bidding. Sealed bids may be submitted either by mail or personally by the principal or an agent, and in either event, will be considered only if received by the officer in charge prior to the hour fixed for the sale. Sealed bids must be enclosed in a sealed envelope, and must be accompanied by a certified check, cashier's check, or money order, payable to the Bureau of Indian Affairs, for not less than 10 percent of the amount of the bid. The sealed envelope must be marked as prescribed in the notice of sale. The sealed envelopes will be publicly opened by the officer in charge only at the time fixed for the sale. The bids will be announced and will be appropriately recorded. The advertisement will provide for an oral auction to follow the opening of sealed bids in all cases in which a preference right to meet the high bid has not been granted to a tribe seeking such a right. The auction will be held provided one or more acceptable sealed bids are received. The auction shall be limited to bidders who, in their sealed bids, offer 75 percent or more of the appraised value of the land and who increase the total of their deposit to not less than 10 percent of the highest sealed bid. At the conclusion of the auction, the highest bidder shall be required to increase his deposit to not less than 10 percent of the amount of his bid.

#### § 121.15 Action at close of bidding.

The officer in charge of the sale shall publicly announce the highest bid, and the deposit submitted by the unsuccessful bidders shall be returned immediately to them. The deposit submitted by the successful bidder shall be held in special deposits. The awarding of bid shall be made by the Area Director, who shall appropriately notify the successful bidder and require the deposit of the remainder of the purchase price within 30 days from the date of notification. Upon a showing of cause, the Area Director may, in his discretion, extend the time for payment of the balance due. The issuance of patent or approval of deed to the purchaser will not be authorized until the balance has been paid. If the remainder of the bid is not paid within the time allowed, the bid will be rejected and the bidder's

deposit will be forfeited to the use of the owner(s) of the land.

#### § 121.16 Rejection of bids; disapproval of sale.

The officer in charge of the sale shall have the right to reject any and all bids prior to award. The Secretary of the Interior reserves the right to reject any bid at any time prior to the issuance of patent or approval of deed, when he shall have determined such action to be in the best interests of the Indian owner(s).

#### § 121.17 Bidding by employees.

Except as authorized by the provisions of § 251.5 of this chapter, no employee of the Bureau of Indian Affairs shall directly or indirectly bid, or make or prepare any bid, or assist any bidder in preparing his bid. Sales between Indians, either of whom is an employee of the United States Government, are governed by the provisions of § 251.5 of this chapter.

#### § 121.18 Negotiated sales.

(a) The following types of conveyances may be negotiated: (1) A sale to another Indian, an Indian tribe, or a conveyance to a member of the Indian's immediate family pursuant to the provisions of paragraph (b) of this section; (2) the United States or an agency thereof, or a state or local government or agency thereof, or such other sale as may be for a public purpose; (3) a sale to a non-Indian when the Secretary determines that it is impractical to advertise; (4) an exchange; (5) temporary easements for rights of way not to exceed fifty years. Except as provided in paragraphs (b) and (c) of this section, the consideration for a negotiated sale shall be not less than the appraised value of the land. The consideration for an exchange shall be either land, or a combination of land and money or other thing of value, the fair market value of which is not less than the appraised value of the trust or restricted land.

(b) An Indian owner of trust or restricted land may, with the approval of the Secretary, convey land to a member of his or her immediate family for a consideration less than that prescribed in paragraph (a) of this section, or for no consideration. For purposes of this section, immediate family is defined as the Indian's spouse, brothers and sisters, lineal ancestors of Indian blood, and lineal descendants.

(c) Indian owners of trust or restricted land may, with the approval of the Secretary, convey land to any Indian who is a co-owner of the land for a consideration less than that prescribed in paragraph (a) of this section, or for no consideration. If more than one of the Indian co-owners wish to buy the land, and if the owners agree, all such co-owners interested will submit sealed bids. With the consent of the owners, the award will be made to the highest such bidder.

#### § 121.19 Deferred payment sales.

When the Indian owner and purchaser desire, a sale may be made or approved on the deferred payment plan. If the

purchaser, whether Indian or non-Indian, is to take title in a nontrust and unrestricted status, the purchaser shall pay not less than 25 percent of the purchase price in advance, and shall execute notes on Form 5-110g for the balance payable in three equal payments on or before 1, 2, and 3 years after date. If the purchaser is an individual Indian or Indian tribe, and if the purchaser is to take title in a trust or restricted status, the purchaser shall pay not less than 10 percent of the purchase price in advance; terms for the payment of the remaining installments are within the discretion of the Secretary of the Interior. If the purchaser on any deferred payment plan makes default in the first or subsequent payments, all payments, including interest, previously made will be forfeited to the Indian owner.

#### § 121.20 Cost of conveyances; payment.

Purchasers shall pay all costs of conveyancing and, in addition, the following sums, to wit: If the purchase price is \$1,000 or less, \$1.50. If it be more than \$1,000 and not more than \$2,000, \$2. If the purchase price is more than \$2,000, \$2.50. Such fees should not be included in checks covering payment for the land, but collected separately and deposited to the credit of the United States as general fund receipts.

(Sec. 1, 41 Stat. 415, as amended; 25 U.S.C. 413)

#### § 121.21 Additional sale fee required.

In all cases involving the sale of restricted allotted Indian lands, either on a cash basis or on deferred payments, the purchasers will be required to deposit with the superintendent, in addition to the consideration for the land and fee provided for in § 121.20, the sum of \$20, such amount to be paid when the purchaser is notified that he is the successful bidder. This fee is collected for the purpose of paying for the work incident to the sale as required by the Act of February 14, 1920, as amended by the Act of March 1, 1933 (47 Stat. 1417; 25 U.S.C. 413). The fee may be reduced to a lesser amount than \$20 or to a nominal amount if the circumstances justify such reduction in the discretion of the Secretary of the Interior. The sales fee, if conditions warrant, may be deducted from the proceeds of sale.

(Sec. 1, 41 Stat. 415, as amended; 25 U.S.C. 413)

#### § 121.22 Irrigation fees; payment.

In sales involving irrigable land, the purchaser will be required to pay the proportionate per acre construction cost of the particular project to be assessed against the land. Payments made by the Indian owner prior to July 1, 1932, shall be taken into consideration in fixing the appraisements of the land. All appraisements covering irrigable land will be submitted to the supervising or project engineer of the district in which such land is situated for his approval. Purchasers will be required to pay, in addition to the per acre construction cost, the annual operation and maintenance charges assessed against the land which will be based on the annual cost of

the operation of the system. All such charges, remaining unpaid as of the date of the acceptance of the bid, must be paid by the purchaser. In all cases purchasers will be required to enter into an agreement for the payment of all such charges. A lien clause covering the cost of all irrigation charges, past and future, will be inserted in the patent or other instrument issued to the purchaser.

**§ 121.23 Preference right to purchase lands in Oklahoma.**

In the case of any sale of restricted Indian land at public auction or by sealed bids in Oklahoma, except in the case of the Osage Reservation, the Act

of June 26, 1936 (49 Stat. 1967; 25 U.S.C. 501-509), provides in part that whenever any restricted Indian land or interests in land other than sales or leases of oil, gas, or other minerals therein, are offered for sale, pursuant to the terms of this or any other Act of Congress, the Secretary of the Interior shall have a preference right, in his discretion, to purchase the same for or in behalf of any other Indian or Indians of the same or any other tribe, at a fair valuation to be fixed by the appraiser satisfactory to the Indian owner(s), or if offered for sale at auction, said Secretary shall have a preference right, in his discretion, to purchase the same for or in behalf of any other Indian or Indians by meeting the highest bid otherwise offered therefor. Such preference right to purchase is placed in the Secretary of the Interior under the Act and is recognized as remaining in full force and effect until

released by said Secretary or his authorized representative through endorsement on deeds of conveyance or in an appropriate order, the form of which is Preference right of purchase resting in the Secretary of the Interior under section 2 of the Act of June 26, 1936 (49 Stat. 1967; 25 U.S.C., Sup. 502), is hereby waived as to the lands herein described.

(Sec. 9, 49 Stat. 1968; 25 U.S.C. 509)

3. A new § 121.33 is added under the heading "Removal of Restrictions and Sale of Lands, Five Civilized Tribes and Reinvestment of Funds in Nontaxable Lands," to read as follows:

**§ 121.33 Applicability of other sections.**

Sections 121.18(a) (5) and 121.23 are applicable to the Five Civilized Tribes.
